'Favorable Report' Given to CHS by School Supervisor

EDITORS NOTE: This is the first in a series examining the report of Gerald R. Norman, state school supervisor, on his general inspection of Circleville High School late last year. The analysis was directed to Carl J. Leist, then president of the city board of education, and has been presented to current board members.

Circleville High School's first examination in seven years failed to

Once Around Roundtown

CHARLES ROSE of the Williamport community was able to attend only one meeting Monday night, but he managed to be named president of two organizations.

Rose attended the Pickaway County Agriculture Society session and was promptly re-elected president for another term. He didn't get to the County Cattle Feeder Assn. meeting the same evening, but he was named proxy of that organization, too.

Speaking on the humorous side, the popular agriculture man said he probably will be forced to attend future meetings in order to defend himself.

ROTARY CLUB Newsletter note: Judge William D. Radcliff was president of Circleville Rotary in 1939-40.

Tom Ferguson Enters Race

COLUMBUS, Ohio (AP) Thomas E. Ferguson, 33, announced today for the post his father State Treasurer Joseph T. Ferguson, is leaving at the expiration of his four-year term next January.

The younger Ferguson, assistant state treasurer, is the first declared candidate for the Democratic nomination for treasurer.

The elder Ferguson, 69, expressed the hope Tuesday in announcing his retirement from public office that his son would win election to succeed him.

The younger Ferguson a graduate of Ohio State University's School of Business Administration, formerly was associated with the Ford Motor Co. in Lima.

He served two years with the U.S. Navy and presently is a lieutenant in the Naval Reserve.

A native of Lancaster, he married the former Helen Kreitzer of Dayton. They have four children.

Russian Course Pushed

COLUMBUS, Ohio (AP)—A new graduate program leading to a master's degree in Russian was announced by Ohio State University today.

Westfall Board Again To Seek Bond Approval

Single High School Seen Best Answer For District Woes

Westfall School District, its four high school charters facing revocation by the state board of education, will again go to the people in an attempt to gain funds to build a single district-wide high school.

The Westfall school board has decided, after extensive discussion of alternate plans of action, to place a \$1,395,000 bond issue before the voters in the May primary election.

The issue, twice-defeated in previous years, has been termed "absolutely necessary" by at least one school spokesman. By statute passage would require only a simple majority this even-numbered year. The board took the step after consulting with Squires, Saunders and Dempsey, Cleveland law firm.

Groundwork for gaining approval of the measure will be laid Jan. 17 at 8 p.m. during a special meeting in Monroe Twp. School.

GLENN RICH, supervisor of elementary and secondary education for Ohio, and Byron Morton, assistant state superintendent of schools, will conduct a public forum on the recent inspection of Pickaway County schools by supervisor Gerald R. Norman. The two veteran educators will explain why the state board decided to act against Westfall's high schools.

A question-and-answer period to clarify the present situation will be held after their talks, George McDowell, county superintendent, said.

Preliminary indications are that district voters are now more receptive to the proposal for a single Westfall high school than they were prior to Norman's inspection last November. At that time he issued a lengthy report on deficiencies he found in Monroe, Darby, Jackson and Williamsport-Atlanta schools.

Condemned to death with Chang on similar charges of counterrevolutionary activity was his former secretary, ex-Col. Lee Hoi Yung. The five-man tribunal also ordered life sentences for four defendants, including two former junta members; gave prison terms ranging from 5 to 15 years to nine persons and acquitted nine others.

Uninvited Ohio Democrat Gets Kennedy Posey

COLUMBUS, Ohio (AP)—Charles Meeks who wasn't even invited, walked into the \$100-a-plate birthday dinner for Gov. Michael V. DiSalle Saturday and Kennedy had been wearing.

The story came out Tuesday when Meeks called the Columbus Dispatch to get a copy of a picture of him shaking hands with Kennedy.

Meeks president of the United Auto Workers Citizenship Council here, failed to receive an expected invitation to the party. But he took several hundred clip-on buttons he had left from his Citizens for Kennedy campaign in 1960 and walked into the banquet hall at the state fairgrounds.

"I started distributing the buttons to people at the tables and even gave some to the Secret Service men," he said. He eventually climbed to the speakers' platform and got to shake hands with the President.

"When the program was over, I went up to President Kennedy as he was coming by," Meeks related. "I shook hands with him again and asked him for the carnation he was wearing for the carnation. He gave it to me."

And, in between the two Kennedy handshakes the General Motors employee (Ternstedt Division) got a free meal—\$100 worth.

Theft, Cold Shut School in McArthur

McARTHUR, Ohio (AP)—Cold weather and a burglary combined to close the McArthur High School Authorities said safe-crackers, apparently professionals, took \$500 from a safe this morning.

Sheriff Harold Steele said since sub-zero temperatures would limit attendance anyway, Harold V. Felton, school executive head, decided to give about 775 pupils a day's vacation. That will keep students from hindering the investigation by agents of the Ohio Bureau of Criminal Identification and Investigation, Sheriff Steele said.

It's Brrrrr About All Over

By THE ASSOCIATED PRESS
A mass of bitter cold weather held wide sections of the country in an unyielding grip today.

In some sections, the cold weather was accompanied by heavy snow—up to 24 inches in a continuous fall.

Hundreds of schools were forced to close because of the weather. The drain on over-taxed heating facilities—mostly by natural gas—was astronomical.

Scores of deaths were attributed to the weather. Some of the deaths were caused by over-exertion and others in traffic accidents resulting from icy, snow-covered surfaces.

Only few areas of the country were outside the freezing cold. These included the extreme western portions of Oregon and Wash-

ington, most of California, southern sections of Nevada and Arizona, sections of Georgia and the Carolinas and Florida.

Elsewhere temperatures ranged from freezing, or 32 degrees, to 42 at Drummond, Mont., early today.

The Midwest was by far the widest area in the grip of the bitter cold, the worst of the new year.

Ohio shivered in sub-zero temperatures early today, with Mansfield having the low spot on the weather bureau charts—12 below.

Dayton recorded 11 below, the U.S. Weather Bureau here reported, and Upper Sandusky reported 10 below.

Canton, Cincinnati, Columbus and Findlay marked up readings of 9 below, Youngstown, and To-

ledo 8 below and Cleveland Zanesville 7 below.

The bureau said temperatures will average 10-14 degrees below normal in northern Ohio and 16 degrees below normal in southern and central Ohio through this weekend.

Chicago's -11 degrees at 2 a.m. was the lowest reading for the date in 74 years when -10 was recorded. Dalhart, Tex., had -2 and St. Louis -6.

It was the second day of sub-zero cold for the Midwest. Most of the area was already covered by snow ranging up to 30 inches in Michigan. New snow Monday and Tuesday added to the difficulties of transportation and utility services.

In Nebraska, a natural gas company asked that gas be conserved

for home heating and school superintendents in more than 20 areas responded by closing schools. The company said the cold and high winds had brought the greatest demand for heating gas in company records.

Heavy snow and continued bitter cold forced the closing of schools in Michigan from the Mackinac Bridge to the Indiana line.

Secondary roads remained snow packed in Indiana and principal roads ice covered. Temperatures in the northern portion were mostly subzero.

In Missouri and Kansas, snow fell in scattered sections, in many areas driven by 40-mile winds. Drifting posed a serious problem.

State of Union Address Slated For Thursday

Early Action Sought On Both Domestic, Foreign Matters

WASHINGTON (AP)—The 87th Congress convened today with President Kennedy plugging for early action on his domestic program and trying to soften criticism against his foreign policy.

For the first time at any mid-term meeting since 1940, the House gathered today without a speaker. Texan Sam Rayburn, who had ruled it in so many years of Democratic control, died in November.

So it fell to the House clerk, Ralph Roberts, to bring the gavel that called the House into session and to preside pending the formal election of John W. McCormack of Massachusetts, who was Democratic floor leader under Rayburn, to succeed the Texan as speaker.

House Democrats caucused Tuesday and chose Rep. Carl Albert of Oklahoma as their floor leader in succession to McCormack.

McCormack had no party opposition for speaker and it appeared for a time that the Republicans would not even go through the gesture of putting up a candidate of their own.

In a morning caucus, the Republicans decided to do what the minority party nearly always does and offer their floor leader, Rep. Charles A. Halleck of Indiana, to the House for the speakership.

Senate Republicans in their caucus chose Sen. Bourke B. Hickenlooper of Iowa as chairman of the Senate Republican Policy Committee. Hickenlooper won 21-14 over Sen. Leverett Saltonstall of Massachusetts. He succeeds the late Sen. Styles Bridges of New Hampshire.

He will outline his entire program in the annual State of the Union message Thursday.

Kennedy's outline of world conditions and his domestic proposals probably will touch off explosive partisan reaction in an election-year session likely to be steeped in controversy.

Few expect the President to be more than minimally optimistic in his report on the prospects for easing international tension in 1962.

He is likely to bear down in his message on a request for broad authority to revise American tariffs to spur trade. Sen. Harry F. Byrd, D-Va., chairman of the Senate Finance Committee which would handle any House-passed bill to accomplish this result, said he thinks the issue may be one of the most far-reaching in his 29 years in Congress.

Kennedy's No. 1 domestic objective is to win approval of a medical care program for the elderly, financed through Social Security taxes.

Democratic National Chairman John Bailey has tabbed this as his party's principal issue in this year's elections in which 37 Senate and all House seats will be filled.

There remains doubt that Kennedy aides can muster the votes in the Ways and Means Committee to get this program to the House floor. Byrd has announced he will oppose it.

In a budget message scheduled for Jan. 18, Kennedy is expected to propose spending topping \$92 billion in the fiscal year beginning July 1. Balancing of this would be dependent on increased revenues and congressional action to boost postal rates.

Because spending has now reached high levels, Kennedy has asked for action to increase the \$28-billion debt limit. Byrd predicted the deficit for the current year may reach \$10 billion instead of the administration's \$6.9 billion estimate.

Winter Partly Blamed For 5-Death Crash

FT. HOOD, Tex. (AP)—Military authorities say paralyzing winter weather was a factor in a collision of an Army tank and truck at this army base Tuesday. Five soldiers were killed and 22 others were injured.

Three of the injured were burned seriously when the truck's 70-gallon gasoline tank exploded. The M48 tank and the truck loaded with soldiers, crashed head on in early dawn while bound for training areas.

Clothing Drive Started Here For Homeless Victims of Fire

A drive has been launched here to collect clothing for a family of 10 left homeless yesterday by a fire at Lowery Lane.

Left with only the clothes they were wearing are the eight children of Mr. and Mrs. Jay Adams. They range from age 17 to 15-months-old.

Heading the drive here will be Juvenile Probation Officer Ralph Starkey and fellow workers in the juvenile and probate courts. Local firemen also have volunteered to assist.

The Adams home, owned by William Lowery, was destroyed by flames at about 12:30 p.m. yesterday. No one was injured.

STARKEY said clothes will be

desperately needed by the family. Articles may be turned in at the Probate Courtroom at the courthouse.

Starkey said he will make an effort to collect items from persons unable to bring them to the courthouse. He may be contacted at GR 4-3950.

Court employees have volunteered to collect and sort the clothing according to the ages and sizes of the children.

Mrs. Adams, expecting another child next month, said all her baby supplies were destroyed yesterday. Starkey urged donations of these articles.

The Adams children are Roger, 17; Leon, 15; Darlene, 13; Sharon, 11; Brenda, 9; Annabelle, 6; Teresa, 4; Tommie, 2; and Ladonna, 15 months.

The fire was blazing out of control when firemen arrived yesterday. Battling the flames in near zero weather, they managed to keep the fire from seriously damaging nearby houses.

CAUSE of the fire was blamed on an overheated stove. Damage was estimated at about \$900.

All available firemen, including those off-duty, rushed to the scene. They were forced to lay about 900 feet of hose.

The only available water supply was from the Winorr Canning Co.

Moscow Says Molotov Just Missed Train

MOSCOW (AP)—The Soviet Foreign Ministry said today Soviet Foreign Minister V. M. Molotov is still in Moscow and has not left to resume his post as Soviet representative on the International Atomic Energy Agency in Vienna.

"He was supposed to take the train last Saturday," said a spokesman. "He did not take it. We do not know why."

Asked if the 71-year-old revolutionary denounced by Premier Khrushchev as a Stalinist, was ill, the spokesman replied: "We have no information."

Asked if Molotov would leave later, the spokesman said: "We know nothing of his intentions."

Molotov returned to Moscow from Vienna last November after Khrushchev led a bitter assault on him and other members of the so-called anti-party group at the 22nd Soviet Communist party congress in October.

Diplomats believed then that the old Bolshevik would be ousted from the party and from public life. They were astonished when the Soviet Foreign Ministry announced Monday he was returning to Vienna.

Nixon Urges Shelf For All Extremists

WHITTIER, Calif. (AP)—Former Vice President Richard M. Nixon calls for "responsible leadership which will avoid the extremes of the far left and the far right."

At a banquet honoring him on his 49th birthday Tuesday night, Nixon said: "Radicals of the right and radicals of the left are a small minority in the nation. But their influence is far greater than their number because they are so active and so noisy."

"The answer to the crooks and crackpots in politics is for responsible people, who make up the great majority in every community, to participate more actively in political affairs."

Holland Train Crash Toll Set at 91 Lives

UTRECHT, Netherlands (AP)—The death toll in Holland's worst rail disaster has been officially set at 91 persons.

They were killed in the collision of two trains at nearby Woerden Monday. Eleven of the bodies have not been identified.

Mercury Dips To 10 Below

More of Same Chill Is Expected Tonight

Frigid, sub-zero temperatures greeted Pickaway Countians today as the mercury dropped to a teeth-chattering ten degrees below zero.

The weatherman will probably be the most unpopular person around after issuing another forecast today similar to last night's. Thermometers should read between five and twelve below again tomorrow.

The near record-breaking cold is to continue today, tonight and tomorrow with no immediate relief in sight.

Although as cold as it was early today, on Jan. 23, 1961, a record low for that date was recorded at 11 degrees below the "nothing" mark.

FIRE Chief Talmer Wise issued a warning today to all residents of the county to check chimneys and flues and advised a frequent check of furnaces and stoves during the cold spell.

Douglas Cotterman, local manager of The Ohio Fuel Gas Co., reported today that gas pressure in the area has remained normal although several complaints were received of malfunctioning regulators.

Ervin Leist, manager of city utilities, reported that several residential water lines had frozen, but nothing serious had developed as of noon today.

The Water Department head advised that every precaution should be taken to keep water lines from freezing. He suggested that persons particularly check basement windows and doors and make certain they are closed. He said several reports of frozen water lines today were of open basement windows.

All schools in the city and county were in session today. Two school buses had to be towed before the engines would start, but most students arrived at school nearly on time.

With resentful anticipation of tomorrow's outlook area residents were completing a normal day of activity, with the exception of those attempting to thaw their water pipes or start the family car that didn't adjust to the sub-zero weather.

Industry Gas Curbs Asked

COLUMBUS, Ohio (AP)—The Ohio Fuel Gas Co. asked 911 industrial and commercial customers today to switch from natural gas to an alternate fuel for heating for as long as the cold weather lasts.

The company said the action was taken to assure continued good service to homes in the 56 counties it serves. Ohio Fuel has 612 commercial customers and 229 industrial customers in that area.

The company's service agreement with these customers provides that the customer have standby facilities ready to switch over to another fuel in case of prolonged severe cold.

Ohio Fuel itself switched from gas to oil in heating its general offices in Columbus.

News Conference Set

WASHINGTON (AP)—President Kennedy's next news conference will be held at 4 p.m. Monday. There are no present plans for live radio and TV broadcast of the conference.

Cold
Fair and cold today, tonight and tomorrow, with a low of 5-12 below zero by early morning. Yesterday's high, 14; low, -10. High today, 2-8. Low tonight, 5-12 below zero.

Westfall Board Again To Seek Bond Approval

Single High School Seen Best Answer For District Woes

Westfall School District, its four high school charters facing revocation by the state board of education, will again go to the people in an attempt to gain funds to build a single district-wide high school.

The Westfall school board has decided, after extensive discussion of alternate plans of action, to place a \$1,395,000 bond issue before the voters in the May primary election.

The issue, twice-defeated in previous years, has been termed "absolutely necessary" by at least one school spokesman. By statute passage would require only a simple majority this even-numbered year. The board took the step after consulting with Squires, Saunders and Dempsey, Cleveland law firm.

Groundwork for gaining approval of the measure will be laid Jan. 17 at 8 p. m. during a special meeting in Monroe Twp. School.

GLENN RICH, supervisor of elementary and secondary education for Ohio, and Byron Morton, assistant state superintendent of schools, will conduct a public forum on the recent inspection of Pickaway County schools by supervisor Gerald R. Norman. The two veteran educators will explain why the state board decided to act against Westfall's high schools.

A question-and-answer period to clarify the present situation will be held after their talks, George McDowell, county superintendent, said.

Preliminary indications are that district voters are now more receptive to the proposal for a single Westfall high school than they were prior to Norman's inspection last November. At that time he issued a lengthy report on deficiencies he found in Monroe, Darby, Jackson and Williamsport-Atlanta schools.

THE FACTORS which evoked criticism, according to Hartman, "point to one specific thing"—the mounting inadequacy of the high school plant and physical facilities in the face of skyrocketing enrollment.

"We are now in a squeeze play," Hartman said referring to the increased number of students. He added "The system may be in serious trouble in a very short time if we do not begin to play a course of action."

When L. L. Loughian inspected the high school for the state in 1954 he found an operation with only about 400-450 pupils. Norman visited the same school with 701 students and greater numbers on the way up through the elementary school ranks.

The 119 seniors scheduled to be graduated in May will be replaced by about 253 freshmen. The big population push rolled into the high school this year and is expected to continue at its present rate of expansion for "at least" the next two years.

Even when—and if—the growth rate levels off, the school will remain bulging from the higher permanent enrollment.

What Norman saw for the greater part, though, was "a well-organized school that functions smoothly." He was impressed with administrative personnel and "the splendid cooperation of the faculty." According to the report, significant improvements have been made in the course offering through the addition of language.

Donahay Seeks Different Job

COLUMBUS, Ohio (AP)—Lt. Gov. John W. Donahay announced today for the Democratic nomination for state auditor.

"I feel that with my background I can best serve the interests of the people of Ohio in this capacity," he said in a brief statement. Donahay, 56, is the son of the late former governor and U. S. Sen. A. Vic Donahay. Vic Donahay was state auditor 1913-21.

He is the second candidate to seek his party's nomination for auditor. The other is Rep. Thomas L. Gilmartin of Youngstown.

Donahay, a former resident of Alliance was unsuccessful in three previous bids for state office. In 1952 he sought nomination for U. S. senator. In 1954 he ran for state treasurer, and in 1956 was nominated for that office but lost in the general election.

He has another year to serve as lieutenant governor.

Labor Chief Hopes U.S. Job Picture To Improve Soon

WASHINGTON (AP) — Secretary of Labor Arthur J. Goldberg feels that the tight job situation will substantially improve in the months ahead.

But he told a news conference Tuesday that the heavy unemployment rolls undoubtedly have discouraged a lot of people—particularly women and older workers—from even trying to find work.

Employment declined by 882,000 in December to 66,467,000 and unemployment increased by 100,000 to 4,091,000, he said. However, he added the changes were in line with what was to be expected in the winter season.

Goldberg went on to predict that 1962 job gains will be over

Highland Schools Face Revocation

GREENFIELD—Six high schools in Highland County have been informed by the Ohio Department of Education that their charters are subject to revocation because they do not meet minimum state standards.

The department gave no indication as to when revocation might take place.

The announcement came in individual letters received by the six schools and signed by Glenn A. Rich, an assistant in the state department.

School administrators and board presidents at Fairfield (Leesburg), Lynchburg, Belfast, Buford, Sinking Spring and White Oak received the notices as did W. J. Hilty, county superintendent.

Each school was advised as to specific areas in which it does not meet state requirements. The most frequent deficiencies occur in enrollment tax duplicate, guidance programs and library facilities.

Primary Races Unsettled as Deadline Nears

With the filing deadline scarcely more than three weeks away, prospective candidates for party nominations in races for county offices are apparently hiding their time.

Petitions must be filed with the Board of Elections by 4 p. m. Feb. 7 for a candidate's name to be placed on one of the May 8 primary ballots. At stake on the county level this year are the auditor's and state representative's posts and one seat on the Board of County Commissioners.

Commissioner Chairman Charles Morris Jr., a Democrat, has indicated he will seek to retain his seat against expected rugged Republican opposition in the November race. Morris may have to win the right to seek re-election over some strong Democrat sparring mates in the primary. On the GOP ledger former commissioner Wayne Hines is expected to bid for his party's approval against one or more opponents.

County Auditor Marvin Rhoades, another Democrat, may be unopposed in the primary in her efforts to gain a second term. Veteran legislator Ed Wallace, Circleville real estate broker, is to be in the running for the Democratic nomination for state representative. Republican forces in the last election were grouped around Darrell Hatfield, who probably will seek the GOP standard in May.

A RACE of 49 central committee positions for each party, one for each precinct in Pickaway County, will also spark some interest. Petitions may be obtained at the Elections office in the Courthouse.

Board officials noted this year's elections will not excite as much interest as in a Presidential campaign, if events run true to past form.

Ohioans will also choose party candidates for governor, lieutenant governor, secretary of state, state auditor, state treasurer, attorney general, U. S. senator, congressman at large, chief justice of the supreme court and associate justices during the May balloting.

On the local level the next week should bring several confirmations of candidacies.

Motorist Faces 2 Traffic Counts

David L. Haller, 21, Route 1, Mt. Sterling, faced two traffic violation charges today in Circleville Municipal Court.

Haller, cited for the second time within one year for traffic violations, was fined \$75 and costs for speeding at 85 miles per hour in a 50 mile zone and \$10 and costs for no muffler. The fine on the latter count was suspended and probation was imposed for one year. The arrest was by the State Highway Patrol.

Other motorists booked by the State Patrol were:

James M. Lindeman, 37, Route 4, Lucasville; \$25 and costs for making a left turn without proper caution.

Mary T. Custer, 64, of 143 E. Franklin St.; \$15 and costs for failure to yield the right of way.

Martin W. Cartwright, 23, Chillicothe; \$15 and costs for speeding at 75 miles per hour in a 60 mile zone.

Hobson Overton, 41, Lucasville forfeited a \$24 bond for speeding at 65 miles per hour in a 50 mile zone.

Lions Club Holds Dinner Meeting

Al Levinson, representative of the Phillips Chemical Co., addressed the Circleville Lions Club at a dinner meeting yesterday evening at the Wardell Party Home.

Levinson spoke on the company's venture into the field of plastics. He cited examples of uses in medicine and household goods.

Reports were given on the Sight-Saving Program at the directors meeting following the dinner.

R. E. Nau, program chairman, announced that plans are being made for a Ladies Night to be held in February.

Idle Pay Claims Dip

COLUMBUS, Ohio (AP)—New claims for unemployment benefits filed in the week ending Jan. 6, compared with the 26,613 filed in the previous week, the Bureau of Unemployment Compensation reported today.

LE School Gets New Flag

The Logan Elm District High School was presented with a new 50-star flag today by the Naval Reserve Training Center of Columbus.

The flag was presented to Carl Burger, executive head of the district, and John Henn, principal of the school, by Lt. Com. Robert A. Heinzerling, executive officer of the training center.

The presentation came as the result of a request made by two seniors of the high school, Ronald Huffer and Leonard Dixon, who are members of the Navy Reserve unit.

According to Lt. Heinzerling funds were donated by the reserves for the purchase of the new 8 by 5 feet flag from a general fund maintained by the unit for such purchases.

Beef Officials Named for '62

Beef committee members elected for 1962 by the Pickaway County Cattle Feeders Association have been listed by George Hamrick, county extension agent.

The 16-man panel, working with association president Charles Rose and Hewitt Cromley, delegate to the state organization, attempts to coordinate feeding operations to obtain the most favorable markets for association members.

Elected for townships were:

Circleville Twp. — D. A. Marshall; Darby — Everett Grabill; Deer Creek — Charles Rose; Harrison — Grant Harden; Jackson — Frank Bowling Jr.; Monroe — Jim Hooks; Muhlenberg — Robert Eitel; Madison — Wayne Brown.

Pickaway — Frank Graves; Perry — John Gifford; Salt Creek — Clarence Maxson; Scioto — Kermit Dountz; Wayne J. B. Stevenson; Washington — Marvin Marshall; and Walnut — Dorwin Hay David Luckhart was elected to represent the markets on the beef committee.

(Continued from Page 1) commercial and social studies subjects and relocation of the chemistry-physics laboratory.

CONVERSION to a gas heating plant, redecoration of numerous classrooms and the installation of fluorescent light fixtures all met with Norman's favor. He urged improving lighting facilities in the rest of the plant "as soon as possible."

The supervisor's major administrative recommendation was one against running head-on into the problem of limited finances.

During the past several years of rapid growth both the principal's and superintendent's administrative duties have increased. Norman stated flatly that assistants should be employed for both Hartman and Principal Richard Snuffer. School board members have toyed with the idea on several occasions, but in terms of funds available it has always come down to a choice between classroom and administrative needs. "And the immediate needs of our classroom operation must and should come first," Hartman said.

A possibility exists that employment of one or more Coordinators of Instruction — supervisors working more with curriculum than administrative problems — would partially solve the executive overload problem. But even if funds can be found to hire supervisors, before long enrollment expansion will force the need for added administrative aides into a place of importance.

Recommended enlargement of the principal's offices is not slated to receive much serious consideration until the more pressing problems of classroom overcrowding are resolved.

MR. JOHN M. CLELLAN
Mr. John M. Clellan, 89, Ashville, died early today in the Kearns Nursing Home, N. Court St.

Mr. Clellan was born Jan. 14, 1872, in Scioto Twp., a son of Joseph and Cylindra Prindle Clellan. He was a member of the South Bloomfield Methodist Church.

He is survived by two sons, Ted of Marion and Monroe of Washington C. H.; two daughters, Mrs. Florence Farmer, Atlanta, and Mrs. Valerie White, Ashville; three grandchildren and five great grandchildren.

Services will be 1:30 p. m. Friday in the Bastian Funeral Home, Ashville, with the Rev. H. A. Lockwood officiating. Burial will be in Springlawn Cemetery, Williamsport.

Friends may call at the funeral home beginning 7:30 p. m. today.

Stock Mart Moves Higher

NEW YORK (AP)—The stock market moved narrowly higher in slack trading early this afternoon. Ford declined on the long-anticipated news of a stock split.

The Associated Press average of 60 stocks at noon was up 30 at 256.10 with industrials up 70, rails up .50 and utilities down 20.

Gains of fractions to around a point among key stocks outnumbered losers but there was no vigor to the rise.

Ford showed a fractional loss in early afternoon.

Rails moved ahead solidly amid reports that New York Central and Pennsylvania Railroad are having further talks on merger.

Nurses Granted State Approval

Certificates to practice as registered nurses in the State of Ohio were granted to three Pickaway County women recently by the state Board of Nursing Education and Nurse Registration.

Barbara J. Gerhardt of Circleville, Rosalie Wheeler and Susan A. Neal, both of Ashville, received their certificates after satisfactorily passing an examination given by the board.

Mrs. Gerhardt is a graduate of Miami Valley Hospital School of Nursing, Dayton. Miss Wheeler and Miss Neal were graduated from the Riverside Methodist Hospital, Columbus.

Labor Chief Hopes U.S. Job Picture To Improve Soon

WASHINGTON (AP) — Secretary of Labor Arthur J. Goldberg feels that the tight job situation will substantially improve in the months ahead.

But he told a news conference Tuesday that the heavy unemployment rolls undoubtedly have discouraged a lot of people—particularly women and older workers—from even trying to find work.

Employment declined by 882,000 in December to 66,467,000 and unemployment increased by 100,000 to 4,691,000, he said. However, he added the changes were in line with what was to be expected in the winter season.

Goldberg went on to predict that 1962 job gains will be over

and above the normal springtime improvement.

The American economy, he said is again showing its capacity for growth.

Setting off in another direction, the labor secretary called on the steel industry, its workers and customers not to break the momentum of the economic recovery with a strike or by stockpiling steel in fear of a shutdown.

He indicated that the administration will keep in close touch with steel negotiations and do everything possible to help avoid a strike and to make certain that new terms won't be disruptive to the rest of the economy. The steel contracts run out June 30.

A steel shutdown this year would make no sense, Goldberg said. He said a strike "in a year promising substantial economic expansion would appreciably retard recovery and be detrimental to the national interest."

Goldberg said the civilian labor force registered a decline of 780,000 from November to December and stands practically unchanged from a year ago at 70.5 million.

Normally the labor force is expected to rise by about 1 million a year due to the expanding population.

Goldberg said the tight employment situation undoubtedly has discouraged many from looking for jobs, and thus they were not counted among the labor force.

Another factor, he said, was the buildup of the military forces in 1961. It took about 300,000 young men out of the civilian labor force.

Highland Schools Face Revocation

GREENFIELD—Six high schools in Highland County have been informed by the Ohio Department of Education that their charters are subject to revocation because they do not meet minimum state standards.

The department gave no indication as to when revocation might take place.

The announcement came in individual letters received by the six schools and signed by Glenn A. Rich, an assistant in the state department.

School administrators and board presidents at Fairfield (Leesburg), Lynchburg, Belfast, Buford, Sinking Spring and Whiteoak received the notices as did W. J. Hilty, county superintendent.

Each school was advised as to specific areas in which it does not meet state requirements. The most frequent deficiencies occur in enrollment tax duplicate, guidance programs and library facilities.

Primary Races Unsettled as Deadline Nears

With the filing deadline scarcely more than three weeks away, prospective candidates for party nominations in races for county offices are apparently biding their time.

Petitions must be filed with the Board of Elections by 4 p. m. Feb. 7 for a candidate's name to be placed on one of the May 8 primary ballots. At stake on the county level this year are the auditor's and state representative's posts and one set on the Board of County Commissioners.

Commissioner Chairman Charles Morris Jr., a Democrat, has indicated he will seek to retain his seat against expected rugged Republican opposition in the November race. Morris may have to win the right to seek re-election over some strong Democrat sparring mates in the primary. On the GOP ledger former commissioner Wayne Hines is expected to bid for his party's approval against one or more opponents.

County Auditor Marvin Rhoades, another Democrat, may be unopposed in the primary in her efforts to gain a second term. Veteran legislator Ed Wallace, Circleville real estate broker, is to be in the running for the Democratic nomination for state representative. Republican forces in the last election were grouped around Darrell Hatfield, who probably will seek the GOP standard in May.

A RACE of 49 central committee positions for each party, one for each precinct in Pickaway County, will also spark some interest. Petitions may be obtained at the Elections office in the Courthouse.

Board officials noted this year's elections will not excite as much interest as in a Presidential campaign, if events run true to past form.

Ohioans will also choose party candidates for governor, lieutenant governor, secretary of state, state auditor, state treasurer, attorney general, U. S. senator, congressman at large, chief justice of the supreme Court and associate justices during the May balloting.

On the local level the next week should bring several confirmations of candidacies.

Big Pickup In Retailing Is Reported

COLUMBUS, Ohio (AP)—Gains of 12 per cent in automobile dealers' sales and 10 per cent in department store sales sparked a big pickup in retailing in Ohio for November, reports the Ohio Retail Analyst.

The publication of Ohio State University's Bureau of Business Research says November was the first month of 1961 in which sales exceeded those of the corresponding 1960 month. November 1961 sales were 4 per cent over those of November 1960, and also climbed 7 per cent—after seasonal adjustment—above those of October 1961.

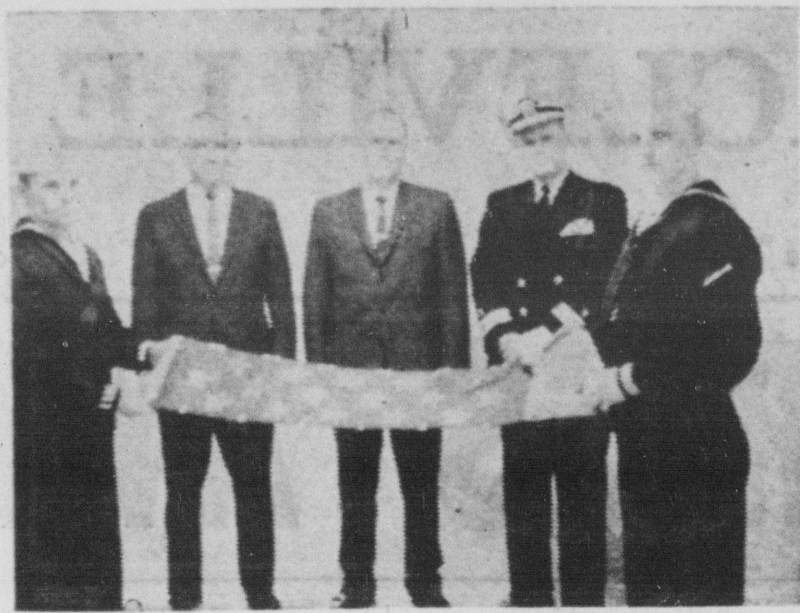

Compared with November 1960, retail sales last November were up as much as 9 per cent in Columbus. Other gains the Analyst reports were 7 per cent in Dayton and Cincinnati, 5 per cent in Akron and Canton and 3 per cent in Cleveland.

Youngstown was down 1 per cent and Toledo down fractionally.

Adenauer To Back Western Plan for Moscow Negotiation

BONN, Germany (AP)—Prime Minister Harold Macmillan of Britain has won Chancellor Konrad Adenauer's support for Western probes in Moscow to determine whether negotiations with the Russians on Berlin have any chance of success.

Adenauer also agreed to ease the burden of maintaining British forces in West Germany by buying more British arms.

Adenauer said Monday he could not see that U.S. Ambassador Llewellyn Thompson's exploratory talks in Moscow were getting anywhere. A communique issued Tuesday after a full day of talks between the aged chancellor and

Macmillan said that they "were agreed that the effort to find out whether a basis for negotiation with the Soviet Union exists should be pursued."

The two leaders also reaffirmed their determination to preserve the Western position in Berlin and to "defend the freedom and viability of West Berlin."

There was nothing in the communique about what would happen if the probes with Moscow fail or the Western position is more seriously menaced.

Macmillan had been reported bringing a U.S.-British proposal for maintaining the status quo in Berlin if the Russians refused to agree to new formal arrangements satisfactory to the West.

Macmillan appeared to have made a substantial gain in solving a problem that has long been a sore one between the two countries—the financial drain of maintaining the 51,000-man British Army of the Rhine.

The West German government refuses to contribute directly to British troop costs for fear of being accused of paying occupation costs. Adenauer agreed to the roundabout arms purchase solution in the interests of Western unity.

The exact scale of the arms purchases was not disclosed, but the communique promised it would be considerable. Informed sources said it would come to about 400 million marks—\$100 million—a year, a substantial flow of marks that would offset about half the previous foreign exchange which Britain must pay out to support her troops in Germany.

Macmillan returned to London Tuesday night. British foreign Secretary Lord Home went on to West Berlin for a one-day ceremonial visit.

Deaths

MR. JOHN M. CLELLAN

Mr. John M. Clellan, 89, Ashville, died early today in the Kearns Nursing Home, N. Court St.

Mr. Clellan was born Jan. 14, 1872, in Scioto Twp., a son of Joseph and Cylindra Frindle Clellan. He was a member of the South Bloomfield Methodist Church.

He is survived by two sons, Ted of Marion and Monroe of Washington C. H.; two daughters, Mrs. Florence Farmer, Atlanta, and Mrs. Valerie White, Ashville; three grandchildren and five great grandchildren.

Services will be 1:30 p. m. Friday in the Bastian Funeral Home, Ashville, with the Rev. H. A. Lockwood officiating. Burial will be in Springlawn Cemetery, Williamsport.

Friends may call at the funeral home beginning 7:30 p. m. today.

Stock Mart Moves Higher

NEW YORK (AP)—The stock market moved narrowly higher in slack trading early this afternoon. Ford declined on the long-anticipated news of a stock split.

The Associated Press average of 60 stocks at noon was up 3½ at 256.10 with industrials up 70, rails up 50 and utilities down 20. Gains of fractions to around a point among key stocks outnumbered losers but there was no vigor to the rise.

Ford showed a fractional loss in early afternoon.

Rails moved ahead solidly amid reports that New York Central and Pennsylvania Railroad are having further talks on merger.

Nurses Granted State Approval

Certificates to practice as registered nurses in the State of Ohio were granted to three Pickaway County women recently by the state Board of Nursing Education and Nurse Registration.

Barbara J. Gerhardt of Circleville, Rosalie Wheeler and Susan A. Neal, both of Ashville, received their certificates after satisfactorily passing an examination given by the board.

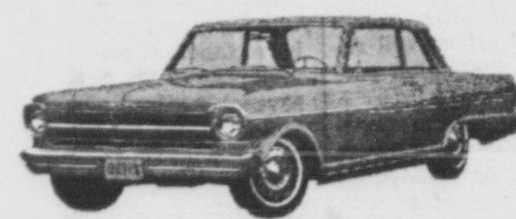

Mrs. Gerhardt is a graduate of Miami Valley Hospital School of Nursing, Dayton. Miss Wheeler and Miss Neal were graduated from the Riverside Methodist Hospital, Columbus.

Unreasonable Demand

A New York local union of the International Brotherhood of Electrical Workers is demanding a 20-hour week or five four-hour days. There would be overtime pay for any additional hours. Union members have voted overwhelmingly to strike in support of this demand.

These workers are now on a 30-hour week and collecting a huge amount of overtime because of a construction boom in New York City. Employers of the electrical workers say that the proposal would more than double their labor costs and break them.

Survival Tips for New Year

NEW YORK (AP)—If there is anything the average man needs most in the first few days of a new year, it is probably a survival kit.

"I made it again," he says on Jan. 1 with a profound sense of gratitude—not unmixed with surprise. But this is almost immediately followed by a feeling of bleak despair as he looks at the weeks and months ahead.

"How will I ever make it through 1962?" he asks. Well, it can be done. Millions will make it—one way or another. By the use of a little care and forethought, you almost certainly can too.

Here are a few survival tips that may prove helpful:

The problem that ages most people long before their time is the killing ordeal of having to face going back to work on Monday. Ask your boss if, instead of having Saturdays and Sundays off, you can have Sundays and Mondays off. Tuesdays are always easier to endure than Mondays.

Are you perpetually annoyed by the number of women who endlessly pursue you? Simple. Quit putting on four dabs of hair cream daily. Use only one dab every other day. Even better, use pork fat.

Are you fearful that the government's proposed crackdown on expense accounts will cramp your style of living? Well, be consoled. There are others it may be harder for. Take John F. Kennedy. It is true he gets up to \$40,000, non-taxable, for travel and entertainment. But there's an additional \$5,000 expense allowance he has to justify to the tax people—and him with a new baby in the house to feed, too.

If it worries you to borrow money, but you feel you have to in order to make it through the year, borrow from a friend. No one ever got ulcers worrying about paying back a true friend. Remember, your health comes first.

Get more exercise. If you run around your bar stool three times

The demand might not be taken seriously except that many national labor leaders insist that work weeks must be shortened still further. A 20-hour work week is not imminent. But if united union pressure results in shortening the work week somewhat, without loss of take-home pay, there will be a significant increase in labor costs.

Industry is concerned about that because of the difficulty of exporting U. S. goods in competition with goods produced cheaper.

By Hal Boyle

after each sip of a dry martini, you'll have the chest of a champion in no time. Don't bother to explain this practice to your favorite bartender; he expects odd behavior from his martini customers.

Do you come home from noisy cocktail parties hoarse, frustrated and worn out from trying to talk and listen at the same time? Save this drain on your nervous energy. Go to the next cocktail party with a megaphone and ear-muffs. You'll get your points over, and keep your own mind from being cluttered up with the other fellow's prejudices.

Learn to relax more efficiently. Get one hour more of sleep in bed at night, and two hours less in the office swivel chair each day, and you'll cure not only your own tension about the boss—you'll ease the boss' tension about you.

Follow those tips, tried and true, and you'll easily weather '62. Fit and happy, hale and hearty—you'll be the life of next new year's party.

"What makes you think you're a kleptomaniac, Mr. Minton?"

Try and Stop Me

By BENNETT CERF

SOCIALITE AUTHOR Cleveland Amory was seated next to a pretty girl on an airplane leaving New York one afternoon and noticed that she had nothing with her to read. "Pardon me," he ventured, "but here's this evening's newspaper. Would you like to glance at it?" "Thank you, no," she replied politely. "You see, I'm from Chicago, and I don't know a soul in New York."

A New Jersey haberdasher with a sense of humor had an interesting window display: a collection of neckties bought by wives the week before Christmas and returned for credit the week after Christmas by the husbands. The effect was dazzling.

Informative bit of verse by Ollie James:
The gum-chewing girl and the cud-chewing cow
Are somewhat alike yet different somehow.
And what is the difference? I think I know now:
It's the clear, thoughtful look on the face of the cow."

The Business World

NEW YORK (AP)—Steelmen say a big inventory buildup already is under way. They feel that in attempting to halt it or put a brake on it, the Kennedy administration will be setting quite a task for itself.

All agree that such a buildup in stocks because of fears of a strike this summer can upset the normal course of the business cycle. You have only to look at what happened three years ago to see that.

But getting steel users to have full faith in the effectiveness of efforts to assure there will be no strike—or, as much to the point, no price rise afterward—may be hard to do. This is especially true now, months ahead of the mid-year contract deadline and without much indication so far as to what the steelworkers will ask or what the mills will offer.

And it is now that the orders are pouring in for the steel to be stockpiled as a hedge against a possible strike.

It is this big pickup in steel output in excess of current consumption that probably inspired reports on high authority in Washington that the government intends to try to discourage steel users from excess inventory buildups as well as to keep close watch on contract negotiations.

The rush of steel ordering is likely to increase, in the opinion of the metalworking weekly, The Iron Age. It says sheet mill products already are being produced

at capacity, while orders for other products are now calling for output at 60 per cent of capacity. As this increases, it predicts the following schedule of steel shipments: January 80 per cent of capacity, February 85 per cent, March 90 per cent. It thinks this might well continue through the following three months as the mills fill the orders received.

The same rush to stock up on steel occurred in the first half of 1959, the last time that union contracts came up for negotiation.

This pushed the total of industrial production well above cur-

rent consumption. Many steel users not only tried to stock up on steel but also turned out more of their steel using products than their sales books justified. They wanted stocks of their products to sell if there were a long steel strike. That summer there was a long strike.

Many users were able to live off their stocks. But near the end of the strike layoffs in steel-using industries started to mount.

After the strike was settled the steel mills worked at capacity while their customers slowly built up their depleted stocks. Many of the users overestimated the strength of the recovery and ordered more steel than they needed, as it turned out. Again the general economy had a rosy look that was more of a fever flush than a healthy glow.

You're Telling Me!

By WILLIAM RITT
Central Press Writer

Prof. Sophia Robison of Adelphi College told the American Association for the Advancement of Science that "the majority of today's respectable men" misbehaved in some way when they were teenagers. Now you know what an aura of respectability is.

Prof. Robison is working on a project "to inquire into the youthful, aggressive misbehavior of men who are now leading useful lives." Anyway, they haven't been caught lately.

Prof. Robison says the frequency with which delinquents get into trouble after release provides "little comfort for those who believe that locking them up as punishment or for treatment is a sure cure." Well, a little comfort is better than none.

She wants to find out why men now respectable stopped their misdeeds. Probably some got good at them and some got jobs.

"We need a fresh look," says Prof. Robison, "at the behavior we call delinquency." That's the same as a delinquent look at the behavior we call fresh.

"We have proceeded too long," says Prof. Robison, "on the assumption that unless it is officially dealt with, disapproved behavior in youth is a first step in a career of crime." What she means is, one wrong doesn't make a rite.

IN THE PROBATE COURT OF PICKAWAY COUNTY, OHIO
Hazel Merz, Admrx. of the Estate of Andrew E. Bensonhaver, dec'd, Plaintiff,
vs.
Hazel Merz, et al., Defendants.

No. 20680
Notice of public sale
In pursuance of the order of the Probate Court of Pickaway County, Ohio, I will offer for sale at public auction on the 12th day of January, 1962, at 1:30 P. M., at the door of the Pickaway County, Ohio, Court House, the following described real estate:
Sited in the County of Pickaway, State of Ohio, and in the City of Circleville, to-wit:
Being Lot No. 1662 in the Circleville Land Improvement Company's first addition to the City of Circleville, Ohio. Street address of said premises is 210 East Logan Street, Circleville, Ohio.
Said premises are appraised at \$5,000.00 and must be sold for not less than two-thirds of said appraised value, and the terms of the sale are 10 per cent cash in hand on the date of the sale with the balance to be paid in cash upon the confirmation of the sale by the court and the delivery of the deed to the purchaser.
Hazel Merz, Admrx. of the Estate of Andrew E. Bensonhaver
Dec. 13, 20, 27, Jan. 3, 10.

HAMMERED IN—A tornado at Berwick, Pa., hammered rafters four feet into ground. No injuries, but \$100,000 damage.

Inside You and Yours

By BURTON H. FERN, M. D.
Dear Doctor: Can my sudden weight gain of 25 pounds explain those reddish streaks on my hips and abdomen?

Mrs. N. G. (Calif.)
Dear Mrs. G.: Yes—but how do you explain those 25 pounds? Does your doctor know?

Overstretching the skin breaks elastic fibers and reddish streaks appear. Eventually these whiten—and thin as you slim down.

Dear Doctor: Last summer you wrote about American doctors recommending Novacain, procaine or H-3.

Why can't their Canadian cousins prescribe some for my arthritis?

Mr. W. S. (British Columbia)
Dear Mr. S.: Our wires crossed and sparks flew the wrong way. The article wasn't supposed to fire up enthusiasm for procaine. If it does, burn it!

While procaine helps numb aches and pains, many modern medicines work better and last longer with less trouble.

Dear Doctor: My mother has large bunions, but mine are small. I never wear undersized shoes. Are bunions inherited?

Mrs. R. R. (Va.)
Dear Mrs. R.: No matter how you slice them, bunions generally stem from narrow—possibly short—shoes. High heels and sharp points bend the big toe into its bunion position. With wide, well-fitting shoes, you children won't "inherit" your bunions.

Dear Doctor: Whenever my farmer-husband hauls hay, he gags, coughs and chokes until his eyes are bloodshot. Could this be an allergy?

Mrs. J.H. (Ind.)

Dear Mrs. H.: Possibly allergy, possibly "farmer's lung", sometimes called "silicosis disease." Nitrogen dioxide gas in poorly ventilated silos irritates coughing and gagging; also, fever and chills, stomachaches and queasy stomachs, fainting and straining for air.

You need a good farm-country doctor. Call yours!

Dear Doctor: If you discover a pea-sized lump, should you call the doctor at once or wait to see whether it grows larger?

Mrs. W. W. (Fla.)
Dear Mrs. W.: Any painless, pea-sized lump that suddenly appears or starts to grow calls for an immediate consultation—if you want to keep from landing in the soup!

Chances are, you can get away with just watching, but why take chances?

Dr. Fern's mailbox is wide open for letters from readers. While he cannot undertake to answer individual letters, he will use readers' questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Fern in care of this newspaper.

Vital Security Need

By George Sokolsky

It is impossible to mix security and politics. J. Edgar Hoover succeeded in his management of the FBI because he stayed out of politics. Allen Dulles, while he has not been able to build the CIA as efficiently as Hoover did the FBI, came through a very tough situation without his personal integrity being attacked.

The Secret Service in the Treasury is a very responsible agency of security which has never been involved in scandal of any kind. It is strictly non-political. The little Narcotics Bureau does an amazing job with few men and little money but it has nothing to do with politics.

The Bureau of Security and Consular Affairs of the State Department has been in hot water since its organization. One of its earliest chiefs was Scott McLeod, an able man who was a supporter of Senator Joe McCarthy and was active in the Pro-American Underground in the government. The Pro-American Underground has been forgotten; it was a group of officials in various departments of the government who risked their positions by fighting the pro-Communists. It was their efforts which produced the material for the McCarthy and McCarran Committees.

The Pro-American Underground was not an organized body, but there were meetings in various homes from time to time and when

data of the greatest importance had to be provided a Committee, it was often sent to trusted anti-Communists in New York and through them passed back to the counsels and investigators in Washington. Those engaged in these activities were known to each other and in many instances to the government investigative agencies and even to the police of many cities, including New York and Los Angeles. Some of the figures have permitted themselves to be publicized; others have maintained their secrecy and have never ceased to serve their country ardently.

Many of the pro-Communists have found their way back to Washington. Some are today bona-fide anti-Communists; other have devoted themselves to scholarly pursuits and are antagonistic to Communists.

Surprisingly some are found in Right Wing anti-Communist movements where they are doing very well. Some have provided the FBI and similar defensive organizations with valuable data; some work with investigative Congress-

sional Committees; some have just disappeared into private life where they do good work. The most effective anti-Communists come from this group.

Except for the top officials of the Communist Party, most current Communists and pro-Communists have no personal history in the Party that goes back to the days of McCarthy. The present personalities are new and younger. The number of spies rather than Party members has increased. There has been a very strong infiltration of Right Wing movements with the object of breaking them into segments by internal quarrels as well as by giving them a ridiculously extremist facade. The Rightist extremists will ultimately have the effect of breaking up conservative movements by stimulating internal quarrels.

The State Department Security Bureau is a very important agency of government, requiring expert management for the protection of the property and secrecy of American diplomatic establishments in the United States and abroad. Since its organization, this Bureau has not been headed by a professional, except Scott McLeod who was a former FBI operative.

He was succeeded by John W. Hanes, Jr., a Southern businessman engaged in textiles but without any background in security practices. Hanes was appointed in the Kennedy Administration. Salvatore A. Bontempo, a New Jersey Democratic politician, was appointed to head the Bureau of Security and Consular Affairs in the Kennedy Administration. He has already resigned. The attack upon him was made by Representative Francis E. Walter, chairman of the House Un-American Activities Committee, also a Democrat, who regarded Bontempo as inefficient and solely political. Bontempo has had no prior experience in handling spies and security checks.

Since Bontempo's resignation, the Bureau is being reorganized in the office of Ralph S. Roberts, Deputy Assistant Secretary for Management who serves under William J. Crockett, Assistant Secretary for Administration. It is rumored in Washington that a committee of Foreign Service officers work under them. Substitute the word team for the word committee and you have it approximately right. Some on the team are under investigation.

This is not the end of this story which is in the developing stage. The best solution is the reorganization of security forces by experienced men.

Ohio To Feel New Federal Milk Setup

WASHINGTON (AP)—Most of Ohio will be affected by an agriculture department move to bring about greater uniformity in producer prices of fluid or bottling milk in 36 mid western markets operating under federal marketing orders.

The department has called a hearing in Chicago Jan. 17-19 to consider proposals to establishing a common basic formula for determining producer prices in these regulated markets. At present, the formulas differ somewhat by individual markets.

Under the orders, the secretary of agriculture sets minimum prices which handlers are required to pay dairymen. The department does not set retail prices.

Areas involved in the orders include:

Greater Wheeling, W. Va.; greater Cincinnati, Dayton, Springfield, and Columbus, Ohio; Northeast Ohio; North Central Ohio; Toledo; Ohio Valley; Fort Wayne, Ind., and greater Youngstown-Warren, Ohio.

Commencement Booked

OXFORD, Ohio (AP)—The commencement speaker for Miami University's mid-year graduation exercises Feb. 2 will be Dr. Howard Foster Lowry, president of Wooster College and current president of the Ohio College Association.

\$360,000 ON THE HOOK — Rancher Don Hight chooses the dead of winter for South Dakota's first major cattle drive in recent history. The rancher flouted snow and wind to put his 1,800 head on the road to Winner. He looks to collect some \$360,000 for the herd.

Unreasonable Demand

A New York local union of the International Brotherhood of Electrical Workers is demanding a 20-hour week or five four-hour days. There would be overtime pay for any additional hours. Union members have voted overwhelmingly to strike in support of this demand.

These workers are now on a 30-hour week and collecting a huge amount of overtime because of a construction boom in New York City. Employers of the electrical workers say that the proposal would more than double their labor costs and break them.

Survival Tips for New Year

By Hal Boyle

NEW YORK (AP)—If there is anything the average man feels he needs most in the first few days of a new year, it is probably a survival kit.

"I made it again," he says on Jan. 1 with a profound sense of gratitude—not unmixed with surprise. But this is almost immediately followed by a feeling of bleak despair as he looks at the weeks and months ahead.

"How will I ever make it through 1962?" he asks. Well, it can be done. Millions will make it one way or another. By the use of a little care and forethought, you almost certainly can too.

Here are a few survival tips that may prove helpful:

The problem that ages most people long before their time is the killing ordeal of having to face going back to work on Monday. Ask your boss if, instead of having Saturdays and Sundays off, you can have Sundays and Mondays off. Tuesdays are always easier to endure than Mondays.

The Business World

By Sam Dawson

NEW YORK (AP)—Steelmen say a big inventory buildup already is under way. They feel that in attempting to halt it or put a brake on it, the Kennedy administration will be setting quite a task for itself.

All agree that such a buildup in stocks because of fears of a strike this summer can upset the normal course of the business cycle. You have only to look at what happened three years ago to see that.

But getting steel users to have full faith in the effectiveness of efforts to assure there will be no strike—or, as much to the point, no price rise afterward—may be hard to do. This is especially true now, months ahead of the mid-year contract deadline and without much indication so far as to what the steelworkers will ask or what the mills will offer.

And it is now that the orders are pouring in for the steel to be stockpiled as a hedge against a possible strike.

It is this big pickup in steel output in excess of current consumption that probably inspired reports on high authority in Washington that the government intends to try to discourage steel users from excess inventory buildups as well as to keep close watch on contract negotiations.

The rush of steel ordering is likely to increase, in the opinion of the metalworking weekly, The Iron Age. It says sheet mill products already are being produced

at capacity, while orders for other products are now calling for output at 60 per cent of capacity.

As this increases, it predicts the following schedule of steel shipments: January 80 per cent of capacity, February 85 per cent, March 90 per cent. It thinks this might well continue through the following three months as the mills fill the orders received.

The same rush to stock up on steel occurred in the first half of 1959, the last time that union contracts came up for negotiation. This pushed the total of industrial production well above cur-

Cattle Drive Ends Ahead Of Schedule

WINNER, S.D. (AP)—Rancher Don Hight punched his 1,800 steers into this South Dakota live stock center a day ahead of schedule after a 65-mile cattle drive he figures saved \$2,000 in trucking costs.

A predicted worsening of the rugged winter weather that stayed with him throughout the five-day drive prompted the cattleman and his seven drovers to bring the animals in Monday night.

Despite a weight loss caused by the extended drive, Hight expects to net about \$360,000 from the sale, which begins Thursday.

Hight drove the herd off his 16,000-acre ranch at Westover in south central South Dakota Thursday morning. He had planned to arrive at this auction center tonight.

Today's weather forecast called for winds up to 40 miles an hour with a temperature of 15 below.

Wind-blown snow had cut visibility to a quarter mile by the time Hight and his drovers nudged the herd over its final 17 miles to the safety of the stock pens.

High figures plenty of feed and water between now and the sale time will put lost weight back on

The demand might not be taken seriously except that many national labor leaders insist that work weeks must be shortened still further. A 20-hour work week is not imminent. But if united union pressure results in shortening the work week somewhat, without loss of take-home pay, there will be a significant increase in labor costs.

Industry is concerned about that because of the difficulty of exporting U. S. goods in competition with goods produced cheaper.

Try and Stop Me

By BENNETT CERF

SOCIALITE AUTHOR Cleveland Amory was seated next to a pretty girl on an airplane leaving New York one afternoon and noticed that she had nothing with her to read. "Pardon me," he ventured, "but here's this evening's newspaper. Would you like to glance at it?" "Thank you, no," she replied politely. "You see, I'm from Chicago, and I don't know a soul in New York."

A New Jersey haberdasher with a sense of humor had an interesting window display: a collection of neckties bought by wives the week before Christmas and returned for credit the week after Christmas by the husbands. The effect was dazzling.

Informative bit of verse by Ollie James:
The gum-chewing girl and the cud-chewing cow
Are somewhat alike yet different somehow.
And what is the difference? I think I know now:
It's the clear, thoughtful look on the face of the cow."

HAMMERED IN—A tornado at Berwick, Pa., hammered rafters four feet into ground. No injuries, but \$100,000 damage.

Inside You and Yours

By BURTON H. FERN, M.D.
Dear Doctor: Can my sudden weight gain of 25 pounds explain those reddish streaks on my hips and abdomen?

Mrs. N. G. (Calif.)
Dear Mrs. G.: Yes—but how do you explain those 25 pounds? Does your doctor know? Overstretching the skin breaks elastic fibers and reddish streaks appear. Eventually these whiten—and thin as you slim down.

Dear Doctor: Last summer you wrote about American doctors recommending Novocain, procaine or H-3.

Why can't their Canadian cousins prescribe some for my arthritis?

Mr. W. S. (British Columbia)
Dear Mr. S.: Our wires crossed and sparks flew the wrong way. The article wasn't supposed to fire up enthusiasm for procaine. If it does, burn it!

While procaine helps numb aches and pains, many modern medicines work better and last longer with less trouble.

Dear Doctor: My mother has large bunions, but mine are small. I never wear undersized shoes. Are bunions inherited?

Mrs. R. R. (Va.)
Dear Mrs. R.: No matter how you slice them, bunions generally stem from narrow—possibly short—shoes. High heels and sharp points bend the big toe into its bunion position.

With wide, well-fitting shoes, your children won't "inherit" your bunions.

Dear Doctor: Whenever my farmer-husband hauls hay, he gags, coughs and chokes until his eyes are bloodshot. Could this be an allergy?

Mrs. J.H. (Ind.)

Vital Security Need

By George Sokolsky

It is impossible to mix security and politics. J. Edgar Hoover succeeded in his management of the FBI because he stayed out of politics. Allen Dulles, while he has not been able to build the CIA as efficiently as Hoover did the FBI, came through a very tough situation without his personal integrity being attacked.

The Secret Service in the Treasury is a very responsible agency of security which has never been involved in scandal of any kind. It is strictly non-political. The little Narcotics Bureau does an amazing job with few men and little money but it has nothing to do with politics.

The Bureau of Security and Consular Affairs of the State Department has been in hot water since its organization. One of its earliest chiefs was Scott McLeod, an able man who was a supporter of Senator Joe McCarthy and was active in the Pro-American Underground in the government. The Pro-American Underground has been forgotten; it was a group of officials in various departments of the government who risked their positions by fighting the pro-Communists. It was their efforts which produced the material for the McCarthy and McCarran Committees.

The Pro-American Underground was not an organized body, but there were meetings in various homes from time to time and when

data of the greatest importance had to be provided a Committee, it was often sent to trusted anti-Communists in New York and through them passed back to the counsels and investigators in Washington. Those engaged in these activities were known to each other and in many instances to the government investigative agencies and even to the police of many cities, including New York and Los Angeles. Some of the figures have permitted themselves to be publicized; others have maintained their secrecy and have never ceased to serve their country ardently.

Many of the pro-Communists have found their way back to Washington. Some are today bonafide anti-Communists; other have devoted themselves to scholarly pursuits and are antagonistic to Communists.

Surprisingly some are found in Right Wing anti-Communist movements where they are doing very well. Some have provided the FBI and similar defensive organizations with valuable data; some work with investigative Congress-

sional Committees; some have just disappeared into private life where they do good work. The most effective anti-Communists come from this group.

Except for the top officials of the Communist Party, most current Communists and pro-Communists have no personal history in the Party that goes back to the days of McCarthy. The present personalities are new and younger. The number of spies rather than Party members has increased. There has been a very strong infiltration of Right Wing movements with the object of breaking them into segments by internal quarrels as well as by giving them a ridiculously extremist facade. The Rightist extremists will ultimately have the effect of breaking up conservative movements by stimulating internal quarrels.

The State Department Security Bureau is a very important agency of government, requiring expert management for the protection of the property and secrecy of American diplomatic establishments in the United States and abroad. Since its organization, this Bureau has not been headed by a professional, except Scott McLeod who was a former FBI operative.

He was succeeded by John W. Hanes, Jr., a Southern businessman engaged in textiles but without any background in security practices. Hanes was appointed in the Kennedy Administration. Salvatore A. Bontempo, a New Jersey Democratic politician, was appointed to head the Bureau of Security and Consular Affairs in the Kennedy Administration. He has already resigned. The attack upon him was made by Representative Francis E. Walter, chairman of the House Un-American Activities Committee, also a Democrat, who regarded Bontempo as inefficient and solely political. Bontempo has had no prior experience in handling spies and security checks.

Since Bontempo's resignation, the Bureau is being reorganized in the office of Ralph S. Roberts, Deputy Assistant Secretary for Management who serves under William J. Crockett, Assistant Secretary for Administration. It is rumored in Washington that a committee of Foreign Service officers work under them. Substitute the word team for the word committee and you have it approximately right. Some on the team are under investigation.

This is not the end of this story which is in the developing stage. The best solution is the reorganization of security forces by experienced men.

Rip Van Winkle couldn't sleep with nagging backache

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1, by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2, by soothing effect on bladder irritation. 3, by mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years. Get Doan's Pills today!

For convenience, buy the large size

\$360,000 ON THE ROOF — Rancher Don Hight chooses the dead of winter for South Dakota's first major cattle drive in recent history. The rancher flouted snow and wind to put his 1,800 head on the road to Winner. He looks to collect some \$360,000 for the herd.

'Ike' Enjoys Private Life

EX-PRESIDENT AT HOME — Dwight D. Eisenhower is shown here looking through some papers in his office at home.

GETTYSBURG, Pa.—No doubt there were plenty of times he feared he'd never make it, but Jan. 20 makes it one year since Dwight Eisenhower became a private citizen again — and he's been enjoying every minute of it!

While still in the White House, the president dreamed of the day when he would retire from public service and just sit on his porch and rock — and rock some more. Actually, things haven't worked out that way, and the former chief executive has kept busy.

Normally, he spends a full work schedule at his office headquarters located on the edge of Gettysburg College campus. There, the space and secretarial help for Eisenhower, as it does for all former presidents.

Situated just a few minutes' drive from his farm on the Gettysburg battlefield, the office continues to be visited by officials from every part of the United States as well as other corners of the globe. More than 1,000 letters a week also are addressed to the general.

He sees old friends and political associates; he keeps engagements in Washington, which is less than two hours away; and he occasionally visits other areas of the country in behalf of projects close to his heart. From time to time, Ike prepares a statement on some matters of public policy where he feels his views need to be expressed.

At three score years and 10,

Blood Program On Rotary Agenda

The program for Thursday's noon meeting of the Circleville Rotary Club will be "Blood Recruitment Project."

E. G. Grigg will direct the program. Members also will be given a rundown on Friday's scheduled visit of the Bloodmobile at the First Methodist Church.

Improper Arrest Cited In Ironton Death Case

IRONTON, Ohio (AP)—A writ demanding the release of Mrs. Sarah Layman, 34, charged in the shotgun-slaying of her mother-in-law last Thursday, was filed Tuesday.

De attorney contended to warrant for her arrest was signed by the wife of the county court judge, rather than by the judge.

Dwight David Eisenhower seems to have the energy of a much younger man despite the heart and intestinal ailments which aroused fears for his life while he occupied the nation's highest office.

One project the ex-president has not completed during the year since he left the executive mansion is his much-awaited books of memoirs. As time allows, he manages to scribble a few lines for the book, but no one is predicting the exact publication date.

One formula followed by Eisenhower — as well as America's two other ex-presidents — is to keep busy.

At the age of 87, Herbert Hoover is busy writing books and working in behalf of some favorite organization such as the Boys Clubs. He maintains an active business office in his home at the Waldorf-Astoria Hotel.

At the age of 77, Harry S. Truman continues to "give 'em hell" wherever in the country he travels in behalf of the Democratic Party. He has an office in Kansas City; keeps active at the Truman Library provided to house his official papers, and is a doting granddaddy.

Fortunately, none of this triumvirate has any financial worries. Ex-presidents are eligible for \$25,000 pensions, but Hoover has never accepted his and Eisenhower preferred to receive his general's pension of about \$20,000.

Even without a pension, Eisenhower found himself well-fixed for retirement. His World War II memoirs brought him close to \$500,000 after taxes, and its estimated that his fortune has since doubled thanks to wise investments.

In addition, the Eisenhowers have received thousands of dollars worth of various sorts of gifts, such as livestock and farm machinery.

It's all a far cry when the time that a president of the United States found himself virtually a pauper when he left office. Thomas Jefferson, for example, had to sell some of his possessions in order to meet living costs. Ulysses S. Grant saved his family from final bankruptcy by completing his autobiography just a few days before his death.

James Monroe also was in dire straits once he left the White House. And the wife of his predecessor in the nation's highest office, the famous Dolley Madison, was very thankful for baskets of food to keep the wolf from her door!

How Weather Looks Today

COLUMBUS, Ohio (AP) — Official Weather Bureau summary of Ohio's weather outlook:
Except for some partly cloudy conditions in the extreme southern portion, Ohio experienced clear skies Tuesday night.

This situation allowed any heat accumulated during the day Tuesday to dissipate rapidly. By midnight most communities had temperatures below zero.

The mercury continued to fall during the early morning hours today, and just before dawn Columbus reported a bitter 9 below zero, while Dayton shivered with 10 and Cleveland had -7. Relatively speaking, Chesapeake was warm with a temperature of 1 above.

Mostly fair skies will be the picture for Ohio weather today and tonight, although some light snow flurries may occur in the central and northern portions. Temperatures, however, will recover only to zero or possibly a few degrees above.

OHIO FIVE DAY FORECASTS
NORTHERN OHIO — Temperatures will average 10 to 14 degrees below normal. Normal high 34-38, normal low 18-23. Very cold Thursday, slowly moderating temperatures through the weekend, then colder about Monday. Precipitation will average one-fourth to locally one-half inch melted in scattered snow flurries tonight and Thursday and again over the weekend.

SOUTHERN & CENTRAL OHIO — Temperatures will average around 16 degrees below normal. Normal high 41-38, normal low 25-22. Cold, slight moderation about Saturday, then rather cold Sunday and Monday. Precipitation will total about one-third inch as snow around the weekend.

Ohioan Named To Head New Advice Group

WASHINGTON (AP) — Karl R. Bendetsen, president of the Champion Paper Co. of Hamilton, Ohio, has been named chairman of a special study and advisor committee set up by the Defense Department to provide guidance in indoctrinating military personnel against communism.

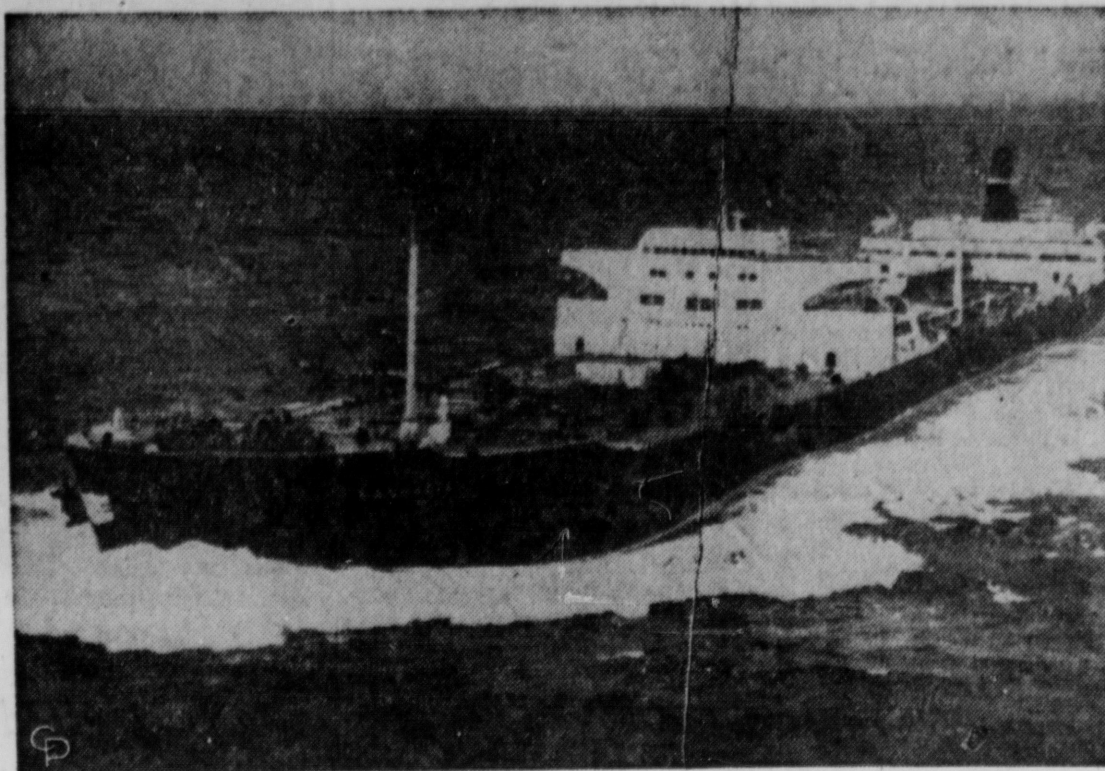

Another of the 13 members of the committee, all to serve without pay, is Dr. T. Keith Glennan, president of Case Institute of Technology Cleveland.

Secretary of Defense Robert S. McNamara has asked the committee for recommendations "as soon as possible." A first meeting is set for the Pentagon Jan. 20, with monthly sessions probable thereafter. The committee also may study the entire range of subjects involved in troop indoctrination and education.

The subject is a hot potato since Sen. Strom Thurmond, D-S.C., and others accused the Pentagon of censoring and muzzling military leaders seeking to speak out against communism.

Bendetsen was undersecretary of the Army in the Truman administration; Glennan formerly headed the Space Agency.

The French Academy began writing its ninth dictionary in 1937. It has reached the "Ch" words.

WORLD'S BIGGEST—It's the world's biggest merchantman, the Manhattan, at sea off Quincy, Mass. The Manhattan is a 106,500-tonner, is 940 feet, 5 inches long, has a liquid cargo capacity of 38,220,000 gallons.

The World Today

WASHINGTON (AP) — What kind of Congress opens today?

It will be noisy and more political than usual. This is an election year for all House members and one-third of the Senate.

It will be stubborn. Already some of the key figures have come out against some of President Kennedy's ideas for 1962.

It will be rather complacent and slow-moving about home problems. With the country prosperous, Congress won't feel pressured by urgency.

Biggest rumpus: Most likely in foreign affairs—on foreign aid, help for the United Nations, and various trouble spots.

Numbers can be deceptive. Democrats outnumber the Republicans 258 to 174 in the House and 64 to 36 in the Senate.

Any time enough Democratic conservatives, particularly Southern Democrats, team up with enough conservative Republicans they can block their own administration's programs. And they do.

It will be a conservative year. While there are liberals and reactionaries in both parties, the dominant force in both is conservative.

The members are as varied as America. Some are millionaires, some anything but.

Each member brings to Washington out of his own personal social, cultural and economic background his own set of prejudices, desires, attitudes and inclinations—in addition to trying to reflect the interests of the people who gave him his job and can take it away.

Brains don't always count. Committee chairmen, holding vital positions of power over legislation, are not chosen for brilliance, imagination, flexibility or sensitivity but for seniority.

A member assigned to a committee in time will become chairman—if he can stay around long enough by getting re-elected often enough — by moving up through

the deaths or retirements of those ahead of him.

The will of the majority doesn't always prevail. In the Senate on any given issue a minority through a filibuster can keep the majority from voting.

In a very real sense, however, this is not blocking the majority will. Any time enough Senators want to join forces to kill a filibuster, they can do so. They seldom do.

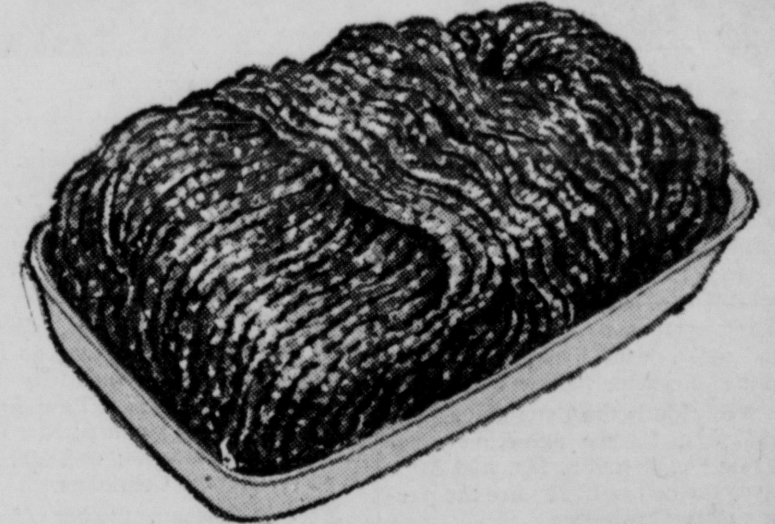

Each senator knows that tomorrow he may be in a filibustering minority on something. Therefore, each is reluctant to throttle a minority.

Some of the speeches are predictable before they begin. There will be speeches against: left-wingers, right-wingers, communism, Democrats (by Republicans), Republicans (by Democrats), creeping socialism, government interference, government controls, too much spending, too much foreign aid, too little foreign aid, cutting tariffs, medical care for the aged, federal aid to education, and Fidel Castro.

Outstanding figure: No one in either House this year is in the same league — as a dominant force or rallying point — with

Speakman-Connell Wedding Takes Place in Ashville

MR. AND MRS. ROGER CONNELL

Miss Joyce Speakman became the bride of Mr. Roger Connell in an afternoon ceremony Sunday, Dec. 10 in the Ashville EUB Church. The Rev. John Morgan officiated at the double ring nuptial service at 2:30 p. m.

Arrangements of white gladoli and white roses flanked by palms graced the altar for the ceremony.

The bride is the daughter of Mr. and Mrs. Luther Speakman, 117 Maple St., Ashville. Mr. and Mrs. Bruce Connell of Derby are the parents of the bridegroom.

Traditional wedding music was provided for the occasion by Mrs. Della Jewell of Ashville, organist and Mrs. Mona Lee Morrison, also of Ashville, vocalist.

Escorted to the altar by her father, the bride was wearing a gown of taffeta fashioned with a pointed bodice and long sleeves tapering to point the hands. Point d'Venice lace accented the squared neckline and the very bouffant floor length skirt enhanced with bow detail.

A queen's crown held her veil of illusion. She carried the traditional white Bible topped with white roses, white carnations and lilies-of-the-valley. Her jewelry was a pearl necklace and matching earrings.

Miss Sandy Speakman, sister of the bride, was maid of honor. She was attired in a sheath dress of green satin designed with overskirt. Her jewelry was a crown pearl necklace, a gift from the bride. Her flowers were white carnations topped with green and accented with holly.

Bridesmaids were Miss Nancy Kimble, Miss Donna Kimble, Miss Bonnie Bainter, all of Ashville; and Miss Peggy Ellis of Harrisburg, Ohio. They were identically attired in red satin ensembles fashioned like that of the honor attendant.

Their flowers were white carnations tipped with red and accented with holly. They each wore a crown pearl necklace, a gift of the bride.

Miss Mitzi Jo Gregg, Ashville, acted as flower girl.

Mr. Emerson Connell, Circleville, attended his brother as best man. Guests were seated by Mr. Jack Walker and Mr. Paul Lambert, both of Harrisburg; Mr. Don Kolodgy, Westerville; and Mr. Elwood Williams, Columbus.

Mrs. Speakman, mother of the bride, selected for the wedding a blue sheath dress with which she combined black accessories and a corsage of white carnations. The bridegroom's mother, Mrs. Connell, was in a two piece light blue suit with harmonizing accessories. Her corsage was of white carnations.

Immediately following the ceremony, a reception was held in the social rooms of the church. Arrangements of fern and holly were used in decorating the refreshment table which was centered with the traditional wedding cake flanked by tall white tapers. Miss Teresa Aldenderfer and Mrs. Kenneth Tabbutt, both of Ashville; Mrs. Jack Hutchinson and Mrs. Emerson Connell, both of Circleville, were hostesses for the reception hours.

When the new Mr. and Mrs. Connell departed for their wedding trip to Niagara Falls, she was wearing a wool suit of blue plaid with a winter white hat and matching accessories. They will establish their home at 27 1/2 E. Main St., Ashville.

Mrs. Connell is a graduate of Ashville Harrison High School and is now a secretary for Mr. David L. Kraft, attorney, Ashville.

Mr. Connell is a graduate of Darby High School and is presently associated with the State Department of Taxation in Columbus.

Installation of Officers Held by Pythian Sisters

Mrs. Nannie Davis, most excellent chief of the Pythian Sisters, Majors Temple No. 516, conducted the business meeting of the organization Thursday evening in the K of P Lodge Hall.

During the business session, the secretary read an invitation for members to attend Installation Services planned by members of Sterling Temple No. 536, Pythian Sisters, in the K of P Hall at Mt. Sterling.

Members voted to make a contribution to the Pickaway County March of Dimes.

Before the most excellent chief retired from office, she presented each of her officers with a gift of appreciation.

Following the business meeting, installation of officers was conducted. Mrs. Frances Evans was the installing officer assisted by Mrs. Agnes Nau and Mrs. Dorothy Styers. The following officers were installed to serve during the coming year: Mrs. Nannie Davis, past chief; Mrs. Geneva Woodward, most excellent chief; Mrs. Jean Ankrom, excellent senior; Mrs. Garnet Reichelderfer, excellent junior; Miss Katherine L. Mead, manager; Mrs. Lucille D. Bostwick, secretary; Mrs. Helen Dawson, treasurer; Mrs. Eleanor Fisher, protector; and Mrs. Flossie Groce, guard.

After the installation, the most excellent chief, Mrs. Geneva Woodward appointed members to serve on various committees for 1962. These include: Mrs. Dorothy Styers, altruistic work; Mrs. May Radcliffe, chairman of the auditing committee, assisted by Mrs. Arrabelle Lane and Mrs. Rosemary Ankrom; Mrs. Ethel Lane,

chairman of the ways and means committee, assisted by Mrs. Eleanor Skaggs, Miss Clara Lathouse, Mrs. Carolyn Young and Miss Phyllis Atwood; Mrs. Nannie Davis and Mrs. Virginia Strawser, visiting committee; and Mrs. Caniz Carman and Mrs. Nora Fitzpatrick, committee in charge of flowers and cards.

Members who will serve on the refreshment committee for the Jan. 18 meeting will be Miss Phyllis Atwood, Mrs. Hazel Mowery, Mrs. Ella Overly and Mrs. Betty Sabine.

Members appointed to serve on the entertainment committee for the Feb. 1 meeting are Mrs. Agnes Nau and Mrs. Eleanor Fisher.

Following the meeting, refreshments were served by the hostesses who included Mrs. Carolyn Young, Mrs. Virginia Strawser, Miss Dorothy Smedley, Mrs. Elma Rains and Mrs. Gladys Shepherd.

MR. AND MRS. ARTHUR HOY

Puckett-Hoy Wedding Held At Calvary EUB

Arrangements of poinsettias flanked by seven branch candelabra decorated the altar of Calvary EUB Church for the wedding of Miss Bonnie Puckett and Mr. Arthur Hoy, USAF.

The Rev. G. H. Niswender officiated at the double ring ceremony, Sunday, Dec. 24, following the morning worship service. Mrs. Earl Milliron, organist, offered a program of traditional wedding music, prior to the nuptial service.

The bride is the daughter of Mr. and Mrs. William F. Puckett, 356 Logan St. and the bridegroom is the son of Mr. and Mrs. Russell Hoy, 433 S. Pickaway St.

Escorted to the altar by her father, the bride was charming in a ballerina length gown of white lace over taffeta fashioned with a portrait neckline and long sleeves edged with lace. The semi-empire bodice, complemented with the same lace trim, featured a scalloped lace panel extending to the hemline in back of the full skirt.

Her fingertip veil of French illusion was held in place with a Royal Queen's crown of pearls, sparkling with crystals. She carried a white Bible topped with a spray of white roses.

The bridegroom wore the dress blue uniform of the US Air Force.

Miss Virginia Puckett, sister of the bride, was maid of honor. She selected for the wedding a street length dress of blue silk chiffon over taffeta designed with a very bouffant skirt. She wore a crown of taffeta with a brief veil to match the color of the gown. She carried a bouquet of white poppies.

Miss Ruth Hoy, sister of the groom, was bridesmaid. She was attired in a street length sheath dress of white and gold brocade.

Her flowers were identical to those of the honor attendant.

Mr. David Ward served as best man and Mr. Melvin Boyer was escort.

Following the ceremony, an open reception was held in the annex of the church. A two tiered wedding cake, topped with a miniature bride and groom, centered the bride's table.

Hostesses for the reception hours were Mrs. Harry Beiz, Mrs. Leonard Squeo and Gloria Flemming.

Following the refreshment hour, the bride and groom opened their many lovely gifts.

Making roll-out-and-cut cookies? If the cookie dough is rich, roll out a small portion at a time; keep the rest of the dough refrigerated until you are ready to use it.

New Officers Are Installed At Guild Meet

Mrs. Norman Godden presented the new slate of officers when the Association Meeting of the Presbyterian Guild met in the Presbyterian Church.

Mrs. Carey Kenney of the Presbyterian Church in Chillicothe conducted the candlelight installation service.

Officers installed included Mrs. Edgar Stoneburner, president; Mrs. Paul Ankrom, vice president; Mrs. Paul Jones, secretary and Mrs. Ronald Leadingham, treasurer.

Mrs. Gary Walsh was appointed to serve as world service chairman and Mrs. Robert Dulaney was selected to act as fellowship chairman.

Devotions were given by Mrs. Ankrom, Mrs. Carl Hohenstein

Mr. and Mrs. Edgar Harral Observe 25th Anniversary

Mr. and Mrs. Ross Courtright, 242 S. Pickaway St., were hosts recently at the silver wedding anniversary of their daughter and son-in-law, Mr. and Mrs. Edgar Harral of Pickaway Twp. William and James, sons of Mr. and Mrs. Harral, were also guests at the event.

The honored couple were united in marriage on Dec. 24, 1936, at North Hampton, Ohio. The late Rev. Irvin B. Shoupe officiated at the ceremony. Mr. and Mrs. Harral were attended by Mr. Robert Peters and Miss Eunice Shoupe.

Mrs. Harral, the former Minnie and Mrs. Leslie Dearth.

During the business session, it was decided to have meetings every other month on the fourth Thursday.

Kathryn Courtright, is a graduate of Stoutsville High School and prior to her marriage was employed in Springfield Ohio. At the present, she is associated with the local General Electric Company.

Mr. Harral, a graduate of Pickaway Twp. School, is engaged in farming. He has served as a trustee of the township for several years and is a bus driver at the new Logan Elm High School.

The Harral's son, James, is a member of the junior class at the high school and William is a sophomore at Ohio State University, Columbus.

Gifts were presented the honored couple by their sons, the host and hostess and the Pickaway Arms establishment.

Speakman-Connell Wedding Takes Place in Ashville

MR. AND MRS. ROGER CONNELL

Miss Joyce Speakman became the bride of Mr. Roger Connell in an afternoon ceremony Sunday, Dec. 10 in the Ashville EUB Church. The Rev. John Morgan officiated at the double ring nuptial service at 2:30 p. m.

Arrangements of white gladoli and white roses flanked by palms graced the altar for the ceremony.

The bride is the daughter of Mr. and Mrs. Luther Speakman, 117 Maple St., Ashville. Mr. and Mrs. Bruce Connell of Derby are the parents of the bridegroom.

Traditional wedding music was provided for the occasion by Mrs. Della Jewell of Ashville, organist and Mrs. Mona Lee Morrison, also of Ashville, vocalist.

Escorted to the altar by her father, the bride was wearing a gown of taffeta fashioned with a pointed basque bodice and long sleeves tapering to point the hands. Point d'Venice lace accented the squared neckline and the very bouffant floor length skirt enhanced with bow detail.

A queen's crown held her veil of illusion. She carried the traditional white Bible topped with white roses, white carnations and lilies-of-the-valley. Her jewelry was a pearl necklace and matching earrings.

Miss Sandy Speakman, sister of the bride, was maid of honor. She was attired in a sheath dress of green satin designed with overskirt. Her jewelry was a crown pearl necklace, a gift from the bride. Her flowers were white carnations topped with green and accented with holly.

Bridesmaids were Miss Nancy Kimble, Miss Donna Kimble, Miss Bonnie Bainter, all of Ashville; and Miss Peggy Ellis of Harrisburg, Ohio. They were identically attired in red satin ensembles fashioned like that of the honor attendant.

Their flowers were white carnations tipped with red and accented with holly. They each wore a crown pearl necklace, a gift of the bride.

Miss Mitzi Jo Gregg, Ashville, acted as flower girl.

Mr. Emerson Connell, Circleville, attended his brother as best man. Guests were seated by Mr. Jack Walker and Mr. Paul Lambert, both of Harrisburg; Mr. Don Kolodgy, Westerville; and Mr. Elwood Williams, Columbus.

Mrs. Speakman, mother of the bride, selected for the wedding a blue sheath dress with which she combined black accessories and a corsage of white carnations. The bridegroom's mother, Mrs. Connell, was in a two piece light blue suit with harmonizing accessories. Her corsage was of white carnations.

Immediately following the ceremony, a reception was held in the social rooms of the church. Arrangements of fern and holly were used in decorating the refreshment table which was centered with the traditional wedding cake flanked by tall white tapers.

Miss Teresa Aldenderfer and Mrs. Kenneth Tabbutt, both of Ashville; Mrs. Jack Hutchinson and Mrs. Emerson Connell, both of Circleville, were hostesses for the reception hours.

When the new Mr. and Mrs. Connell departed for their wedding trip to Niagara Falls, she was wearing a wool suit of blue plaid with a winter white hat and matching accessories. They will establish their home at 27½ E. Main St., Ashville.

Mrs. Connell is a graduate of Ashville Harrison High School and is now a secretary for Mr. David L. Kraft, attorney, Ashville.

Mr. Connell is a graduate of Darby High School and is presently associated with the State Department of Taxation in Columbus.

Installation of Officers Held by Pythian Sisters

U.S. Congress Opens Session; Action Studied

(Continued from Page 1)

Republicans expect to make a key political issue of budget balancing. They hope their informal coalition with Southern Democratic conservatives will operate to defeat the Social Security medical plan.

Senate Minority Leader Everett M. Dirksen of Illinois said he has yet to confer with House Minority Leader Charles A. Halleck of Indiana to decide whether there will be a Republican statement of principles designed to offset Kennedy's position on national issues.

In pre-session conferences with leaders of both parties, Kennedy has not mentioned his federal aid to education proposals which became ensnared last year in controversy over help for parochial and private schools.

The administration has given clear indication that it will not seek legislation in the civil rights field. While this may placate Southerners, much will be heard about it from civil rights advocates.

In the foreign field, there is trouble ahead for Kennedy's expected request for authority to purchase \$100 million in U. N. bonds. The United Nations has been under bipartisan fore for its actions in the Congo.

There will be the usual efforts to cut foreign aid despite last year's authorization for a long-range program.

Expected Big Issues

President Kennedy's proposal for sweeping power to cut tariffs in dealing with the European Common Market.

Medical care for the aged under Social Security.

Proposed purchase of \$100 million in U. N. bonds, mostly to help finance U. N. operations in Congo.

Tax revision to encourage business investment and combat unemployment.

Some federal aid to education.

Revision of farm programs, covering several commodities.

The usual rows over spending and foreign aid.

The Line-up

Democrats have big majorities in both Houses, but Republican-Southern Democratic coalition is set to give Kennedy trouble.

The party breakdown:
Senate—64 Democrats, 36 Republicans.
House—258 Democrats, 174 Republicans; 5 vacant seats, formerly held by Democrats.

The Leadership

House—Rep. John W. McCormack, D-Mass., tapped for speaker, succeeding the late Sam Rayburn. Rep. Carl Albert, D-Okla., elected majority leader, succeeding McCormack. Rep. Charles Halleck, R-Ind., continues as minority leader.

Senate—Sen. Mike Mansfield, D-Mont., continues as majority leader, and Sen. Everett M. Dirksen, R-Ill., as minority leader. Chairmanship of Republican Policy Committee must be filled because of death of Sen. Styles Bridges, R-N.H. The contenders are Sens. Bourke B. Hickenlooper of Iowa and Leverett Saltonstall of Massachusetts.

Presidential Messages

State of the Union—Kennedy delivers this message in person to joint session at 12:30 p.m. Thursday.

Budget—Kennedy sends it to Congress Jan. 18. It's expected to total some \$92 billion, including about \$52 billion for military purposes.

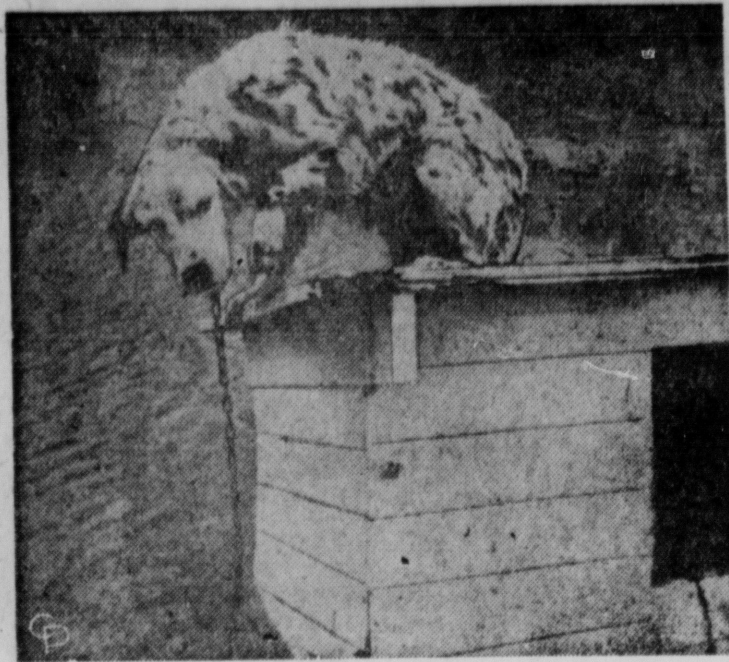

Economic report—Kennedy sends it up Jan. 22.

Important Hearings

Senate—House Atomic Committee will hold secret sessions on how the United States and Russia compare in nuclear might, in view of Soviet atmospheric tests. Senate will investigate alleged muzzling of anti-Communist speeches by military men. Senate continues inquiry into industry pricing practices. Senate and House committees

SETTER LEFT SETTING—Belle, an English setter owned by John Broadwell in Raleigh, N.C., is left out of the dog house by two inches of rain which flooded the Raleigh region.

Dear Abby... By Abigail VanBuren

Merry-Go-Round

DEAR MISS VAN BUREN: Sixty years ago, when I was a young man, I read in the newspaper that a husband had charged his wife with "stealing" because she picked his pockets. The judge said she was not guilty because she had a right to pick his pockets. When a judge hands down a verdict on some case which has never before been settled in court, his verdict establishes a precedent and becomes "Law."

Abby, you said in your column that a wife has no business picking her husband's pockets. I am sure if you had known of this law you wouldn't have given that answer. Respectfully,

G. G.

DEAR G. G.: I am not qualified to give legal advice. But it is possible for one to be LEGALLY right and MORALLY wrong. I still say it is morally wrong for a woman to pick her husband's pockets.

DEAR ABBY: My husband drives a truck for a living and is gone for a week at a time. I got pretty lonesome and started thinking about accepting a date with a certain man who told me he didn't love his wife and had had a secret yearning for me for years. I

Ohio Science Center Is Honored for Safety

COLUMBUS, Ohio (AP) — The U.S. Atomic Energy Commission, in tribute to what is believed the longest safety record among operators of privately owned reactors, honored Battelle Memorial Institute Tuesday.

The Columbus science center has conducted nearly two million man hours of nuclear research without a disabling injury.

to get briefings by State Department leaders on hot foreign policy problems.

House committee to hear witnesses on bills to tighten curbs on transportation of gambling devices.

Upcoming Elections

Both parties will spar for advantage in November balloting. Being elected this year are 37 senators, 435 representatives, 34 governors.

Fingerprint Likeness

Diaper Rash
Q. What is the best treatment for diaper rash?

A. This is a good question because it illustrates an important point in medicine. Diaper rash is a catch-all term applied to most any eruption involving the diaper area. The constant irritation and softening of the skin caused by wet diapers provides fertile conditions for a variety of skin ailments. Germs normally present on the skin act on the urine to produce ammonia, which in turn produces further irritation and blistering. After this, almost any type of infection can occur, each perhaps requiring different types of medication. General measures to avoid "diaper rash" include frequent changing of diapers, avoidance of harsh detergents in washing diapers, and avoidance of prolonged wearing of rubber or plastic pants.

Quality . . . Professional Skill . . . Economy . . . these are three good reasons for having your prescription filled by our competent staff of pharmacists.

made the date with him and was all set to go. Then I read the letter in your column signed HIGH AND DRY. That changed my mind. Abby, I will never get that lonesome again. Thanks for opening my eyes before it was too late. I wouldn't risk losing my husband and children for anything.

JUST IN TIME

DEAR ABBY: My fiancé and I are about to announce officially our engagement by having a picture put in the newspaper. I have seen pictures of a girl and her fiancé together on occasions like this, and I want very much to do the same. My fiancé is giving me trouble. He says it is corny and stupid, and I should go ahead and give the society editor my own picture and leave him out of it. I had my heart set on a nice picture of both of us but want to know if I am wrong or does he have a point?

GETTING MARRIED
DEAR GETTING: A picture of "the couple" is entirely proper if it is the paper's policy to accept it. Some do and some don't. After you've learned this, don't disregard your fiancé's feelings, or more could develop than a picture.

DEAR ABBY: It's not always the woman who gets deceived. I fell for a pretty little red-haired doll who told me she wasn't married. Ten months and \$3,000 later I found out she was married. Please print this for all the men who get blamed for being the rats.

U.S. Congress Opens Session; Action Studied

(Continued from Page 1)
Republicans expect to make a key political issue of budget balancing. They hope their informal coalition with Southern Democratic conservatives will operate to defeat the Social Security medical plan.

Senate Minority Leader Everett M. Dirksen of Illinois said he has yet to confer with House Minority Leader Charles A. Halleck of Indiana to decide whether there will be a Republican statement of principles designed to offset Kennedy's position on national issues.

In press conference with leaders of both parties, Kennedy has not mentioned his federal aid to education proposals which became ensnarled last year in controversy over help for parochial and private schools.

The administration has given clear indication that it will not seek legislation in the civil rights field. While this may placate Southerners, much will be heard about it from civil rights advocates.

In the foreign field, there is trouble ahead for Kennedy's expected request for authority to purchase \$100 million in U. N. bonds. The United Nations has been under bipartisan fire for its actions in the Congo.

There will be the usual efforts to cut foreign aid despite last year's authorization for a long-range program.

Expected Big Issues
President Kennedy's proposal for sweeping power to cut tariffs in dealing with the European Common Market.

Medical care for the aged under Social Security.

Proposed purchase of \$100 million in U.N. bonds, mostly to help finance U.N. operations in Congo.

Tax revision to encourage business investment and combat unemployment.

Some federal aid to education. Revision of farm programs, covering several commodities. The usual rows over spending and foreign aid.

The Line-up
Democrats have big majorities in both Houses, but Republican-Southern Democratic coalition is set to give Kennedy trouble.

The party breakdown:
Senate—64 Democrats, 36 Republicans.

House—258 Democrats, 174 Republicans; 5 vacant seats, formerly held by Democrats.

The Leadership
House—Rep. John W. McCormack, D-Mass., tapped for speaker, succeeding the late Sam Rayburn. Rep. Carl Albert, D-Okla., elected majority leader, succeeding McCormack. Rep. Charles Halleck, R-Ind., continues as minority leader.

Senate—Sen. Mike Mansfield, D-Mont., continues as majority leader, and Sen. Everett M. Dirksen, R-Ill., as minority leader. Chairmanship of Republican Policy Committee must be filled because of death of Sen. Styles Bridges, R-N.H. The contenders are Sens. Bourke B. Hickenlooper of Iowa and Leverett Saltonstall of Massachusetts.

Presidential Messages
State of the Union — Kennedy delivers this message in person to joint session at 12:30 p.m. Thursday.

Budget — Kennedy sends it to Congress Jan. 18. It's expected to total some \$92 billion, including about \$2 billion for military purposes.

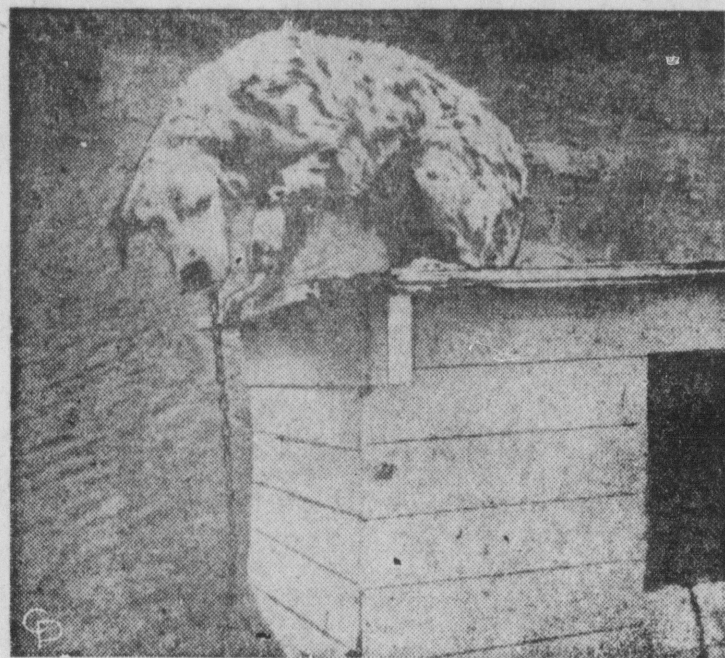

Economic report — Kennedy sends it up Jan. 22.

Important Hearings
Senate — House Atomic Committee will hold secret sessions on how the United States and Russia compare in nuclear might, in view of Soviet atmospheric tests. Senate will investigate alleged muzzling of anti-Communist speeches by military men.

Senate continues inquiry into industry pricing practices.

Dear Abby...

By Abigail VanBuren

Merry-Go-Round

DEAR MISS VAN BUREN: Sixty years ago, when I was a young man, I read in the newspaper that a husband had charged his wife with "stealing" because she picked his pockets. The judge said she was not guilty because she had a right to pick his pockets. When a judge hands down a verdict on some case which has never before been settled in court, his verdict establishes a precedent and becomes "Law."

Abby, you said in your column that a wife has no business picking her husband's pockets. I am sure if you had known of this law you wouldn't have given that answer. Respectfully,

G. G.

DEAR G. G.: I am not qualified to give legal advice. But it is possible for one to be LEGALLY right and MORALLY wrong. I still say it is morally wrong for a woman to pick her husband's pockets.

DEAR ABBY: My husband drives a truck for a living and is gone for a week at a time. I got pretty lonesome and started thinking about accepting a date with a certain man who told me he didn't love his wife and had had a secret yearning for me for years. I

made the date with him and was all set to go. Then I read the letter in your column signed HIGH AND DRY. That changed my mind. Abby, I will never get that lonesome again. Thanks for opening my eyes before it was too late. I wouldn't risk losing my husband and children for anything.

JUST IN TIME

DEAR ABBY: My fiancé and I are about to announce officially our engagement by having a picture put in the newspaper. I have seen pictures of a girl and her fiancé together on occasions like this, and I want very much to do the same. My fiancé is giving me trouble. He says it is corny and stupid, and I should go ahead and give the society editor my own picture and leave him out of it. I had my heart set on a nice picture of both of us but want to know if I am wrong or does he have a point?

GETTING MARRIED
DEAR GETTING: A picture of "the couple" is entirely proper if it is the paper's policy to accept it. Some do and some don't. After you've learned this, don't disregard your fiancé's feelings, or more could develop than a picture.

DEAR ABBY: It's not always the woman who gets deceived. I fell for a pretty little red-haired doll who told me she wasn't married. Ten months and \$3,000 later I found out she was married. Please print this for all the men who get blamed for being the rats.

Diaper Rash

Q. What is the best treatment for diaper rash?

A. This is a good question because it illustrates an important point in medicine. Diaper rash is a catch-all term applied to most any eruption involving the diaper area. The constant irritation and softening of the skin caused by wet diapers provides fertile conditions for a variety of skin ailments. Germs normally present on the skin act on the urine to produce ammonia, which in turn produces further irritation and blistering. After this, almost any type of infection can occur, each perhaps requiring different types of medication. General measures to avoid "diaper rash" include frequent changing of diapers, avoidance of harsh detergents in washing diapers, and avoidance of prolonged wearing of rubber or plastic pants.

Quality . . . Professional Skill . . . Economy . . . these are three good reasons for having your prescription filled by our competent staff of pharmacists.

New York Fashion Showing Stresses 'What Men Like'

NEW YORK (AP) — Men like women. This is what more than 200 fashion writers concluded Sunday after the New York Couture Group intensely probed the subject, "What do men like?"

The study was thorough. It began with wild, woolly and sleek linen-looking coats and suits. It continued with costumes for sport, beach, daytime, cocktail, evening and, indeed, through the night. All was spun courtesy of the silkworm.

"Men like ruffles and full skirts," the commentator announced. Girls flounced onto the runway in crinkly silk crepes that rustled and rippled.

"Men like sheer dresses with long, tight sleeves," the voice declared authoritatively. Exotic, black-eyed ladies appeared in nude black chiffon that covered up everything, and yet didn't.

"Men like ladies to be provocative." As if they didn't already know this, fashion writers dutifully scribbled the idea, also taking note of a slinky, black silk shantung at-home costume, very bare at the top.

"Men love the childish touch." To illustrate this, models too shapely to be children minced forth in dainty silk print dresses with smocked yokes and self belts.

"Men are attracted to long, sleeky black. They can't resist the exotic look, either," said the lady. She pointed out that this effect was best achieved with tightly fitted Oriental or Indian printed silk sheaths.

"Men are enchanted by one-shoulder dresses, happily created from clouds of chiffon with giant flowers on it. They are doubly so with dresses lacking shoulders altogether."

But do men, especially the short ones, like those tall, tall, silk turbans that wrap up to at least a foot and a half high? Nobody asked or answered this question, but these in brilliant hues topped the models' daytime costumes.

FORCED DOWN—Pilot of the Belgian Sabena Airlines passenger plane forced down at Yerevan, capital of Soviet Armenia, was Alfred Moreau (above). He was flying 27 passengers from Tehran to Istanbul when his radio navigational equipment went bad. Soviet fighter planes grounded him.

Denmark ruled the Virgin Islands for more than two and half centuries.

Sheriff's Department Leaves Balance of \$1,120 in Budget

Total operational costs for the Pickaway County Sheriff's Department during 1961 amounted to \$47,309.86, according to a year-end report submitted today by the department.

The Board of Commissioners appropriated \$48,430 as the 1961 budget a balance of \$1,120.14 was returned at the end of the year unused by the department.

Sheriff Walton W. Spangler, who completed his first year in the office on January 1, stated that "1961 has been a challenging year for me as Sheriff. It has been an entirely new life for my family and me."

"Although it has been a busy year, it has been an interesting one. I sincerely appreciate the opportunity to serve the people of Pickaway County and am confident that as we start a new year we will profit by the experiences gained in 1961, with a constant effort to improve the department," the Sheriff concluded.

AMONG statistics of the year's

activities, 819 persons were committed to jail. 740 male and 79 female.

Mrs. Spangler and the cooks served 27,797 meals to prisoners at the jail during the year. November was the most outstanding month with 3,441 meals, an average of 115 per day.

The costs for feeding prisoners is set by statute at a maximum of \$1.50 per day. The year's average cost per daily feeding here was \$1.03.

The Sheriff and his five deputies investigated 275 motor vehicle accidents. Five persons were fatally injured and 151 received personal injuries.

Only one suicide was recorded within the county during 1961.

The four department cruisers were driven 125,335 miles within the year. Only one trip was made out of state when a prisoner was picked up from the state penal institution at Moundsville, W. Va.

FIFTEEN prisoners were conveyed to the Ohio State Penitentiary, seven to the Ohio Reformatory at Mansfield, two to Marysville, six to the Lima State Hospital and 20 patients were transported to mental institutions.

Sheriff Spangler conducted ten sales last year. Four were sales of chattels and the remaining six were real estate.

Nine talks were presented at various organization meetings by members of the department in the 12-month period.

The Sheriff currently has five deputies in his department. The 1962 budget, recently approved by the Board of Commissioners, includes an appropriation for an additional deputy to be hired in the near future.

"Manpower of the department will be equivalent to that of 1960 when the new deputy is hired and will permit an improvement in the efficiency and service of the department during 1962," Sheriff Spangler said.

New York Fashion Showing Stresses 'What Men Like'

NEW YORK (AP) — Men like women.

This is what more than 200 fashion writers concluded Sunday after the New York Couture Group intensely probed the subject, "What do men like?"

The study was thorough. It began with wild, woolly and sleek linen-looking coats and suits. It continued with costumes for sport, beach, daytime, cocktail, evening and, indeed, through the night. All was spun courtesy of the silkworm.

"Men like ruffles and full skirts," the commentator announced. Girls flounced onto the runway in crinkly silk crepes that rustled and rippled.

"Men like sheer dresses with long, tight sleeves," the voice declared authoritatively. Exotic, black-eyed ladies appeared in nude black chiffon that covered up everything, and yet didn't.

"Men like ladies to be provocative." As if they didn't already know this, fashion writers dutifully scribbled the idea, also taking note of a slinky, black silk shantung at-home costume, very bare at the top.

"Men love the childish touch." To illustrate this, models too shapely to be children minced forth in dainty silk print dresses with smocked yokes and self belts.

"Men are attracted to long, sleeky black. They can't resist the exotic look, either," said the lady. She pointed out that this effect was best achieved with tightly fitted Oriental or Indian printed silk sheaths.

"Men are enchanted by one-shoulder dresses, happily created from clouds of chiffon with giant flowers on it. They are doubly so with dresses lacking shoulders altogether."

But do men, especially the short ones, like those tall, tall, silk turbans that wrap up to at least a foot and a half high? Nobody asked or answered this question, but these in brilliant hues topped the models' daytime costumes.

FORCED DOWN—Pilot of the Belgian Sabena Airlines passenger plane forced down at Yerevan, capital of Soviet Armenia, was Alfred Moreau (above). He was flying 27 passengers from Tehran to Istanbul when his radio navigational equipment went bad. Soviet fighter planes grounded him.

Denmark ruled the Virgin Islands for more than two and half centuries.

Sheriff's Department Leaves Balance of \$1,120 in Budget

Total operational costs for the Pickaway County Sheriff's Department during 1961 amounted to \$47,309.86, according to a year-end report submitted today by the department.

The Board of Commissioners appropriated \$48,430 as the 1961 budget a balance of \$1,120.14 was returned at the end of the year unused by the department.

Sheriff Walton W. Spangler, who completed his first year in the office on January 1, stated that "1961 has been a challenging year for me as Sheriff. It has been an entirely new life for my family and me."

"Although it has been a busy year, it has been an interesting one. I sincerely appreciate the opportunity to serve the people of Pickaway County and am confident that as we start a new year we will profit by the experiences gained in 1961, with a constant effort to improve the department," the Sheriff concluded.

AMONG statistics of the year's activities, 819 persons were committed to jail, 740 male and 79 female.

Mrs. Spangler and the cooks served 27,797 meals to prisoners at the jail during the year. November was the most outstanding month with 3,441 meals, an average of 115 per day.

The costs for feeding prisoners is set by statute at a maximum of \$1.50 per day. The year's average cost per daily feeding here was \$1.03.

The Sheriff and his five deputies investigated 275 motor vehicle accidents. Five persons were fatally injured and 151 received personal injuries.

Only one suicide was recorded within the county during 1961.

The four department cruisers were driven 125,335 miles within the year. Only one trip was made out of state when a prisoner was picked up from the state penal institution at Moundsville, W. Va.

FIFTEEN prisoners were conveyed to the Ohio State Penitentiary, seven to the Ohio Reformatory at Mansfield, two to Marysville, six to the Lima State Hospital and 20 patients were transported to mental institutions.

Sheriff Spangler conducted ten sales last year. Four were sales of chattels and the remaining six were real estate.

Nine talks were presented at various organization meetings by members of the department in the 12-month period.

The Sheriff currently has five deputies in his department. The 1962 budget, recently approved by the Board of Commissioners, includes an appropriation for an additional deputy to be hired in the near future.

"Manpower of the department will be equivalent to that of 1960 when the new deputy is hired and will permit an improvement in the efficiency and service of the department during 1962," Sheriff Spangler said.

RIDE IN STYLE—Irish U.N. troops ride in style in Elisabethville, in Katanga President Moise Tshombe's captured convertible, and escorted by an armored car.

Ashville News Report

By Mrs. Arthur Deal Jr.
Phone YU 3-6111

Mrs. Paul Cromley was host for the Ashville Women's Civic Club when they met in her country home for their monthly meeting and a "White Elephant Sale".

Mrs. Thomas Purcell, president, conducted the brief business meeting. The club voted to conduct the annual "March of Dimes" drive in Ashville as in past years. The door-to-door canvass will be Jan. 29 beginning 7 p. m. Mrs. Joe Brewer was appointed chairman.

It was announced that the canned goods brought to the December meeting was combined with those from other organizations, and divided among three families involving 22 children. Gifts also were delivered to the Columbus State Hospital.

It was suggested that the Executive Committee meet before the February meeting and examine the budget and set up suggested donations to be made to the different projects that the club will donate to this year. These will be voted on by the club, at the February meeting.

Results of the Membership Drive ending this month showed Mrs. Rolland Featheringham's team came out on top with four new members while Mrs. Cooper's team went down to defeat with three new members. As the result Mrs. Cooper's team must prepare the refreshments for the February meeting which will be a games party. The meeting place will be announced at a later date.

At the close of the meeting, Rolland Featheringham, auctioneer, auctioned off the "White Elephants" brought by each member.

The Ashville PTA February business meeting and program will be highlighted with a "Panel Discussion of School Problems." The panel will consist of parents, teachers, students and board members.

The meeting is scheduled for Jan. 18, beginning at 7:30 p. m. in the school auditorium.

The Rev. Robert Gruenberg, pastor of the First English Lutheran Church, has been confined to his home the past week with virus pneumonia. Filling the pulpit in Rev. Gruenberg's absence Sunday morning was George Lambert, a student at Capitol University Seminary, Columbus.

New Liquor Chief Named By Governor

COLUMBUS, Ohio (AP)—George Dick of Alliance will take over as state liquor director Feb. 1.

Gov. Michael V. DiSalle coupled that announcement Tuesday with word that Liquor Director Richard C. Crouch has resigned effective the end of January.

Dick, 44, has been deputy finance director in charge of purchasing and data processing since Dec. 15. His salary in that post is \$14,000 a year, and he'll get the same in his new job—also the same as Crouch has been paid.

Dick, former controller for six Sears, Roebuck & Co. stores in the Canton area, entered state employ as \$12,000-a-year purchasing agent in the DiSalle administration.

Crouch, whose innovations in the liquor department included self-serve and deluxe stores, said he has accepted an executive post with Schenley Industries, Inc., New York. He came here from Dayton, where he headed Acme Precision Products, Inc.

Local Society Planning for New Display

The Pickaway County Historical Society has scheduled a new window display starting Jan. 13 in the museum at 133 W. Main St.

The new display will be on an appropriate subject for this time of year. With the young lovers in mind, it will be entitled "Gift Suggestions for Your Sweetheart".

Historical Society members will accept old articles pertaining to the romantic subject. Persons may contribute to the effort by calling Mrs. John Beck at GR 4-3743.

The current display at the museum, entitled, "An Old Fashioned Toy Shop" will be removed Jan. 13 to make way for the new theme.

Articles for the old fashioned toy scene were loaned by the William Blaneys, Route 3, Hinton Wailes, Circleville, and Allen T. Hanes, Tarlton.

Feed Grains Supports To Remain Same

WASHINGTON (AP)—As expected, Secretary of Agriculture Orville L. Freeman has set price supports for 1962-crop feed grains at the same levels as last year.

However, he reduced supports slightly for Soybeans and cottonseed, but raised them a little for flaxseed.

The 1962 supports include: Corn—\$1.2 a bushel or 74 per cent of the parity price goal of federal farm programs.

Barley—93 cents a bushel or 74 per cent of parity.

Oats—62 cents a bushel or 74 per cent of parity.

Sorghum grain—\$1.93 a hundred-weight or 78 per cent of parity. Rye—\$1.02 a bushel or 69 per cent of parity.

Soybeans—\$2.25 a bushel or 78 per cent of parity, compared with \$2.30 or 79.3 per cent of parity last year.

Cottonseed—\$48 a ton for farm-stored or 76 per cent of parity compared with \$49 or 78 per cent of parity last year.

Flaxseed—\$2.90 a bushel or 76 per cent of parity, compared with \$2.80 or 73.5 per cent of parity last year.

Freeman previously announced no changes from last year in support for cotton, rice, peanuts, dry beans and honey. New supports for dairy products, tobacco and tung nuts are to be announced later.

Farm price support outlays—made in loans to growers holding supplies off markets or in government purchases of surpluses—has been running in excess of \$3 billion a year.

Fire Expert Is Hurt At Fire In Own Home

IRONTON, Ohio (AP)—Fire inspector E. M. Hunter was in a Huntington, W. Va., hospital with a fractured toe Tuesday—when his house burned to the ground.

The six-room house and all contents were lost to Hunter, who lives in Lawrence County across the Ohio River from Huntington where he works for the fire department.

More vessels pass through the Kiel Canal between the North and Baltic Seas than travel through either the Panama or Suez Canals.

The first known photograph of a living person was made in 1839. A study by Daguerre, it showed a Parisian gentleman getting a shoe-shine at a street stand.

Philippe Tournaye's boxy Scotch mohair in smoky grey has rounded shoulders and a wide, flat collar. Self-fapped pockets lend utility.

David Kidd's black and white checked wool tweed is finished with high, set-in sleeves and vertical, concealed pockets, high waist.

Pauline Trigere's free-swinging brown, black and white wool tweed features patch pockets, a collarless neckline and kimono sleeves.

COVERS, GIRLS—Here are three samples of New York fashion designers' tastes in spring coats. The showings of spring fashions got underway early this January.

Sleepy Driver Curb Invented by 3 Ohioans

MASSILLON, Ohio (AP)—Three Stark County men have invented a device which they hope will reduce the number of traffic accidents caused by sleepy drivers.

The mechanism, controlled by a mercury switch in a headset worn by the driver, is designed to set off a buzzer and stop a motor vehicle should the driver's head slump, as when falling asleep.

The inventors—John B. DeRemer of McDonaldsville, Richard D. Beebe of Massillon and Andrew J. Sipe of Mount Pleasant—say their invention would sell for about \$100 installed in an automobile and \$125 in a truck or bus.

The idea was conceived by DeRemer five years ago after a young acquaintance had been involved in several auto accidents

due to falling asleep.

This is how it works:

Tilting of the headset, which is connected to the stopping mechanism of the vehicle by a small electric wire, applies the brakes gradually, stopping the vehicle; the gas flow to the carburetor is reduced and the accelerator pedal is blocked against foot pressure; a buzzer sounds and the left and right turn signals begin to flash alternately.

DeRemer says the apparatus has been tested and will stop a vehicle smoothly enough to avoid spins on roads which are wet or icy.

Beebe, DeRemer and Sipe have obtained patents on their invention and are contacting manufacturers about producing the apparatus.

They say that, if they cannot be assured the device will not be restricted to certain makes of vehicles, they will incorporate and produce it themselves.

Girl Scouts Tour Tea House

Girl Scout Troop No. 354 and advisers, Mrs. Robert Dick and Mrs. Donald Valentine, visited the Kyoto Tea House at Westerville recently.

The afternoon was spent touring the tea house and learning Japanese customs. Refreshments of Japanese tea and cookies were served to the scouts by the proprietors of the restaurant.

Scouts participating in the tour were Teresa Allen, Linda Caudill, Karen Davis, Debbie Dick, Linda Garrett, Rita Garrett, Karen Hale, Marianne Hoffman, Sarah Mallett, Brenda Southward, Jackie Ullman, Valerie Valentine, Dyana Young, and the leaders and advisers.

DOUBLE SAFETY BRAKE SYSTEM

RIDE IN STYLE—Irish U.N. troops ride in style in Ellsabethville, in Kalanga President Moise Tshombe's captured convertible, and escorted by an armored car.

Ashville News Report

By Mrs. Arthur Deal Jr.
Phone YU 3-6111

Mrs. Paul Cromley was host for the Ashville Women's Civic Club when they met in her country home for their monthly meeting and a "White Elephant Sale".

Mrs. Thomas Purcell, president, conducted the brief business meeting. The club voted to conduct the annual "March of Dimes" drive in Ashville as in past years. The door-to-door canvass will be Jan. 29 beginning 7 p. m. Mrs. Joe Brewer was appointed chairman.

It was announced that the canned goods brought to the December meeting was combined with those from other organizations, and divided among three families involving 22 children. Gifts also were delivered to the Columbus State Hospital.

It was suggested that the Executive Committee meet before the February meeting and examine the budget and set up suggested donations to be made to the different projects that the club will donate to this year. These will be voted on by the club, at the February meeting.

Results of the Membership Drive ending this month showed Mrs. Roland Featheringham's team came out on top with four new members while Mrs. Cooper's team went down to defeat with three new members. As the result Mrs. Cooper's team must prepare the refreshments for the February meeting which will be a games party. The meeting place will be announced at a later date.

At the close of the meeting, Roland Featheringham, auctioneer, auctioned off the "White Elephants" brought by each member.

The Ashville PTA February business meeting and program will be highlighted with a "Panel Discussion of School Problems." The panel will consist of parents, teachers, students and board members.

The meeting is scheduled for Jan. 18, beginning at 7:30 p. m. in the school auditorium.

The Rev. Robert Gruenberg, pastor of the First English Lutheran Church, has been confined to his home the past week with virus pneumonia. Filling the pulpit in Rev. Gruenberg's absence Sunday morning was George Lambert, a student at Capitol University Seminary, Columbus.

New Liquor Chief Named By Governor

COLUMBUS, Ohio (AP)—George Dick of Alliance will take over as state liquor director Feb. 1.

Gov. Michael V. DiSalle coupled that announcement Tuesday with word that Liquor Director Richard C. Crouch has resigned effective the end of January.

Dick, 44, has been deputy finance director in charge of purchasing and data processing since Dec. 15. His salary in that post is \$14,000 a year, and he'll get the same in his new job—also the same as Crouch has been paid.

Dick, former controller for six Sears, Roebuck & Co. stores in the Canton area, entered state employ as \$12,000-a-year purchasing agent in the DiSalle administration.

Crouch, whose innovations in the liquor department included self-serve and deluxe stores, said he has accepted an executive post with Schenley Industries, Inc., New York. He came here from Dayton, where he headed Acme Precision Products, Inc.

Local Society Planning for New Display

The Pickaway County Historical Society has scheduled a new window display starting Jan. 13 in the museum at 133 W. Main St.

The new display will be on an appropriate subject for this time of year. With the young lovers in mind, it will be entitled "Gift Suggestions for Your Sweetheart".

Historical Society members will accept old articles pertaining to the romantic subject. Persons may contribute to the effort by calling Mrs. John Beck at GR 4-3743.

The current display at the museum, entitled, "An Old Fashioned Toy Shop" will be removed Jan. 13 to make way for the new theme.

Articles for the old fashioned toy scene were loaned by the William Blaneys, Route 3, Hinton Waite, Circleville, and Allen T. Hanes, Tarlton.

Feed Grains Supports To Remain Same

WASHINGTON (AP)—As expected, Secretary of Agriculture Orville Freeman has set price supports for 1962-crop feed grains at the same levels as last year.

However, he reduced supports slightly for Soybeans and cottonseed, but raised them a little for flaxseed.

The 1962 supports include: Corn—\$1.2 a bushel or 74 per cent of the parity price goal of federal farm programs.

Barley—93 cents a bushel or 74 per cent of parity.

Oats—62 cents a bushel or 74 per cent of parity.

Sorghum grain—\$1.93 a hundredweight or 78 per cent of parity.

Rey — \$1.02 a bushel or 69 per cent of parity.

Soybeans — \$2.25 a bushel or 78 per cent of parity, compared with \$2.30 or 79.3 per cent of parity last year.

Cottonseed—\$48 a ton for farm-stored or 76 per cent of parity compared with \$49 or 78 per cent of parity last year.

Flaxseed—\$2.90 a bushel or 76 per cent of parity, compared with \$2.80 or 73.5 per cent of parity last year.

Freeman previously announced no changes from last year in support for cotton, rice, peanuts, dry beans and honey. New supports for dairy products, tobacco and tung nuts are to be announced later.

Farm price support outlays — made in loans to growers holding supplies off markets or in government purchases of surpluses—has been running in excess of \$3 billion a year.

Red Sub Probing Depths of Ocean

The Mikhail Lomonosov, Russian oceanographic ship.

By JAMES H. WINCHESTER
Central Press Association
Correspondent

ST. JOHN'S, Newfoundland — Russia is using a special submarine, the Severjanka, to carry out oceanographic and ocean-bottom mapping studies in the Arctic, it has been disclosed here by Dr. Vsevolod Lednev, of the Russian Academy of Science.

Knowledge of such an under-seas operation had not been publicly revealed previously. The submarine, said Dr. Lednev, is being operated by the Soviet Ministry of Fisheries.

At the same time, Dr. Lednev, one of the world's leading oceanographers, said that Russia today has more than 55 ships of all types engaged in vital oceanographic work in all the seas of the world. In Russia itself, he said, there are more than 10 special Oceanographic Institutes.

"The Soviet Union is as far ahead of the United States in oceanographic knowledge and research as it is in space," Dr. Lednev said in an exclusive Central Press interview aboard the 6,000-ton Mikhail Lomonosov, Russian oceanographic vessel, docked for a week at St. John's.

With a crew of 65, plus an additional complement of 65 scientists — 29 of them women the Mikhail Lomonosov sailed from Kalinin, Russia, on August 29, arrived in St. John's to make repairs on Sept. 30.

"Our purpose is entirely scientific," Dr. Lednev insisted. Among the projects upon which they are working, he listed the mapping of the ocean bottom, down to depths of 12,000 meters; high altitude meteorological observations, carried by huge balloons launched from a special ship's platform; salinity tests; a study of ocean currents and temperatures; and many others.

A tour of the 16 instrument and

Accused Slayer of 4 Sent to Lima Hospital

CLEVELAND (AP)—Phillip Albise, accused of shooting and killing his wife, Eleanor, 28, and their three small children last October, was sent to Lima State Hospital for the Criminally Insane Tuesday by Common Pleas Court Judge Thomas J. Parrino.

Court psychiatrists told the judge their studies of Albise so far were inconclusive and recommended commitment to Lima for 30 days of observation.

GE Layoff Is Planned

CINCINNATI (AP) — Cancellation of orders for commercial jet engines will make it necessary for General Electric to lay off 200 workers at its Evendale plant next week, a spokesman announced.

Harrow numbers among its former boys Robert Peel, Lord Byron, Anthony Trollope, Henry Cardinal Manning and Sir Winston Churchill.

Dominica Hints Trujillo Arrest

Probe of Claimed Assassination Talked

SANTO DOMINGO, Dominican Republic (AP)—The new Dominican government is reported seeking the extradition of Rafael L. Trujillo Jr. and two top aides in connection with the disappearance and presumed death of six men held for the assassination of Trujillo's father.

The semi-official paper La Nacion published the report Monday. It could not be immediately confirmed.

Trujillo, son of the dictator who ruled this country for 31 years until his death last May, was last reported in Paris. The two aides mentioned by the paper, Luis Leon and Estevez Rubirosa, also are believed in Paris.

In Paris, the French Foreign Ministry said no extradition treaty exists between the two countries.

In theory, the Dominican government could ask for custody of Trujillo and his associates, and France could decide the case on its merits. However, France has a long tradition of granting political asylum, and if the three could argue successfully that they were sought for political reasons, they probably would be allowed to stay.

The chief of the armed forces, Maj. Gen. Pedro Rodriguez Echavarría, charged that three air force officers who accused him of dictatorial ambitions acted as part of a Communist plot to "divide and destroy" the country's military establishment.

The general said Communist agents had infiltrated some political parties and a Communist party for mass disorders and guerrilla warfare was smashed early last month. He did not say if there had been any arrests.

WAY OUT DOLLS—The space craze is catching on in the Soviet with dolls, an eventuality you'd expect from a capitalistic toy manufacturer. Along with the miniature Yuri Gagarin is a model of his spaceship, the Vostok.

Death of Pedestrian Brings Driver's Arrest

CINCINNATI (AP) — Jack Proffitt, 51, of Norwood faces charges and failure to yield to a pedestrian of second degree manslaughter in the death of a 61-year-old widow.

Mrs. Florence Painter was struck and killed Tuesday night, police said, as she sought to cross a city street in a crosswalk.

American-in-Europe Saga Is Basis for 2 New Films

HOLLYWOOD (AP)—The saga of the American in Europe has intrigued writers from Mark Twain and Henry James down to Tennessee Williams and Irwin Shaw.

Now it is the background of two new movies, which are pushing the 1962 season off to a promising start.

They are "Tender Is the Night" and "Light in the Piazza." If these are a sample of what the movie fan will get, it could be a good year.

David O. Selznick says glowingly of "Tender Is the Night": "It is the kind of movie we used to make."

It bears the stamp of Selznick at his best. Oddly, though, he owned the story, developed the script and supplied Jennifer Jones, his name is not on the film. It was produced by Henry Weinstein, who received several hundred memos from Selznick during the filming.

"Tender" is the most profound of the F. Scott Fitzgerald tales, a careful study of how a psychiatrist loses his own stability while saving the sanity of a patient he marries. It is played against a background of Europe in the '20s, yet doesn't seem dated.

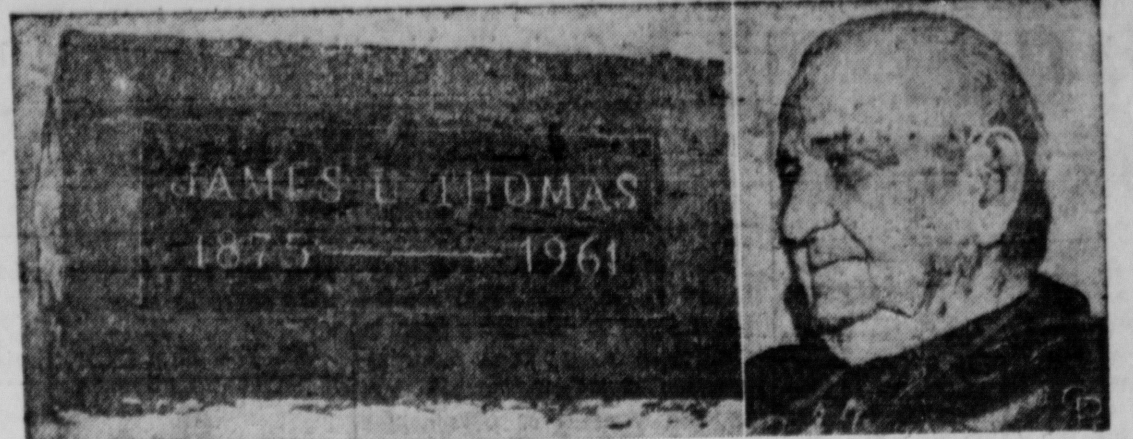

Miss Jones is back to the glory she first exhibited in "Song of Bernadette." After a couple of false starts, Jason Robards Jr. proves he can be as great on the screen as he has been on the stage.

Director Henry King, who dates back to "Tolable Davis" (1921), proves Hollywood's old wave can still pack a punch. The screenplay by Ivan Moffat is a marvel, building one scene after another of meaningful drama.

"Light in the Piazza" is pure romance. Offhand it sounds like a problem drama: the attempt by a compassionate mother to find a normal life for her grown daughter, whose mental age was arrested at 10 by accident.

This could be turgid stuff but producer Arthur Freed and director Guy Green keep it light without going marshmallowy.

Olivia DeHavilland is perfect for this sort of thing; no star has such a sure touch with romance. Yvette Mimieux is a revelation; she's an actress, not merely a cheesecake queen. George Hamilton is surprisingly good as her Italian suitor, and Rosanno Brazzi plays his suave, knowing father.

DEATH POSTPONED—Here are James L. Thomas, 86, and gravestone he had cut ahead of time in Lima, O., in predicting he would die in 1961. He wants 1961 changed to 1967.

Art Circles Buzz in Dispute

2 'Rubens' Paintings Found To Be Identical

NEW YORK (AP)—Art circles buzzed today over a controversy aroused by two paintings—of identical size and subject matter, both bearing the same title and both attributed to the 17th century master, Peter Paul Rubens.

The problem: Which should be regarded as the real Rubens?

The 6 by 8 foot works are entitled "Diana and Her Nymphs Departing for the Chase."

One occupies a place of honor in the Cleveland Museum of Art, which purchased it from an unidentified dealer in 1955. The price was rumored to have been \$500,000. The figure was labeled false by the museum, which declines to say how much it paid.

The other painting was purchased recently by oil billionaire Jean Paul Getty and hangs in his home at Sutton Place near London. He reportedly bought it for \$560,000, through a London dealer.

The difference over the two works came to light yesterday when Dr. Julius S. Held, an art expert and authority on Rubens, said he regards the picture in England as being from the hand of Rubens with perhaps a few touches by his assistants.

In Cleveland, Museum Director Sherman Lee said the institution's Diana "has been properly authenticated and we are satisfied it is by Rubens."

Dr. Held said he does not contend that Rubens had nothing to do with the Cleveland painting but "I think there is more of Rubens' own hand in the Getty version than in the Cleveland one." He described the Cleveland picture as "a good studio replica."

He explained that the old masters often had assistants who did lesser details in a painting and sometimes made copies for practice, with the master aiding. He said the Getty version was full of alterations such as an artist makes when he is working on an original.

While the Cleveland work is handsome and valuable, "it shows the smoothness that comes from copyists' work," Held said.

College Foundation Receives CCA Gift

Gifts received in December by the Ohio Foundation of Independent Colleges included one from the Container Corp. of America plant in Circleville.

More business firms than ever before contributed in both the calendar year and in the month of December to strengthen non-tax-supported colleges in Ohio, Foundation reports.

Contributions from 1,395 donors totaled \$1,065,472 for the 12 months of 1961. This is an expense in both number of gifts and the total amount over 1960, according to Executive Director Harold K. Schellenger. He said the number of donors in Ohio is about double that for any similar foundation in another state.

Contributions will be divided among 32 colleges not supported by taxes, 60 per cent equally, 40 per cent according to enrollment, except in the few cases where donors specify otherwise. Most of the money will go to improvement in faculty salaries.

Laurelville News By Mrs. Ray Poling

Mr. and Mrs. Dave Karr (Beverly McNeal) of South Perry are the parents of a daughter born in Chillicothe Hospital Saturday morning. Grandparents are Mr. Lodema Vorhees of Gibsonville; Mr. and Mrs. Lloyd McNeal, of South Perry Great grand parents are Mr. and Mrs. Harrison Ricketts; Mrs. Lewis Stahr and Mr. Lee Karr.

Mr. and Mrs. Lee Reynolds spent last weekend with relatives in Pennsylvania.

Miss Ruth Bowers of Tipp City spent the weekend with her parents Mr. and Mrs. George Bowers.

Mrs. Frieda Lappen, Mrs. Dorothy Kreig and Mrs. Mary Adcock

of Logan were visitors in Laurelville Thursday afternoon.

Mr. and Mrs. D. B. Chrisman

and son, Don, of Sinking Springs were last Monday guests of Mr. and Mrs. C. F. Bradney.

Mrs. Melvin Mettler and Miss Goldie Byers returned home Wednesday evening after spending several days with Mr. and Mrs. Jack Satterfield of Chicago.

Thursday dinner guests of Mr. and Mrs. Ray Poling were Mr. and

Mrs. Robert White of Logan and Saturday evening supper guests were Mr. and Mrs. Rolla Karahner of Columbus.

The Woman's Society of Christian Service met Wednesday evening in the Church with Mrs. Wilson Ross, Mrs. Hugh Poling and Mrs. Robert Bowers as hostesses.

The meeting was opened with a prayer from the president. Win-

fred Dumm and the group sang "Bless Be the Tide that Binds". Mrs. Mervin McClelland was in charge of Devotions and Program. She read from the books of Psalms and Romans. She gave three different events on social drinking and they were discussed by the group.

Cards were sent to Mrs. Emanuel Schaal, Mrs. Cliff Armstrong and Mrs. George Bowers. Refreshments were served. Oth-

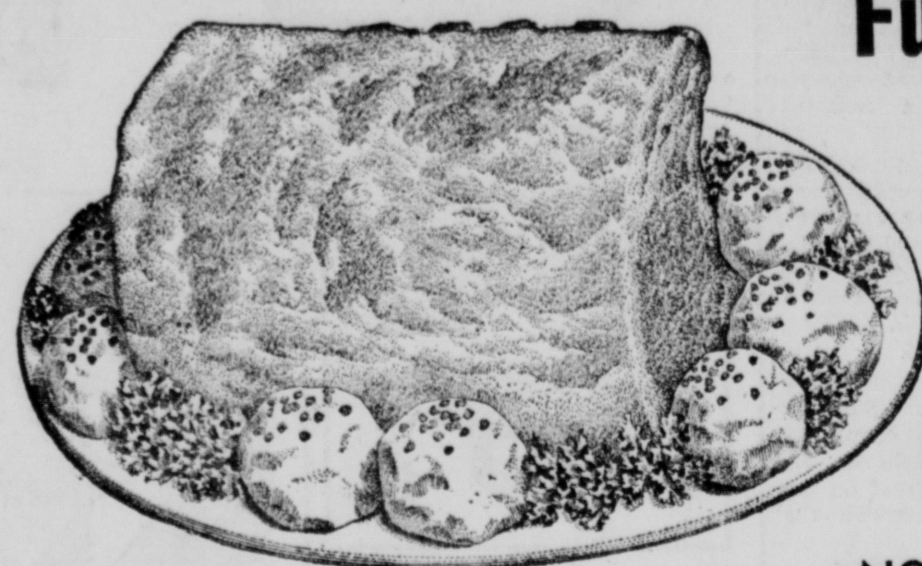

ers present were: Mrs. Ed Fetherolf, Miss Helen Mettler, Mrs. Clay Reichelderfer, Mrs. Darley West, Mrs. Thomas Hockan and Mrs. Ray Poling.

Rev. and Mrs. Raymond Welch of Chillicothe are announcing the engagement of their daughter, Sara Ann, to Lee H. Darby, son of Mr. and Mrs. Lynn Darby of Lienbeck Road, Chillicothe. Miss Welch, who graduated in

1961 from Chillicothe High School, is employed by the Columbus and Southern Ohio Electric Co. Mr. Darby, a Chillicothe High School graduate of 1958 and the Bailey Institute of Technology of St. Louis Mo., is employed by Ohio Semiconductor Inc., Columbus, as an electronics technician.

The couple plan a summer wedding. Rev. Welch is a former pastor of the Laurelville Evangelical United Brethren Church.

Art Circles Buzz in Dispute

2 'Rubens' Paintings Found To Be Identical

NEW YORK (AP)—Art circles buzzed today over a controversy aroused by two paintings—of identical size and subject matter, both bearing the same title and both attributed to the 17th century master, Peter Paul Rubens.

The problem: Which should be regarded as the real Rubens?

The 6 by 8 foot works are entitled "Diana and Her Nymphs Departing For the Chase."

One occupies a place of honor in the Cleveland Museum of Art, which purchased it from an unidentified dealer in 1955. The price was rumored to have been \$500,000. The figure was labeled false by the museum, which declines to say how much it paid.

The other painting was purchased recently by oil billionaire Jean Paul Getty and hangs in his home at Sutton Place near London. He reportedly bought it for \$560,000, through a London dealer.

The difference over the two works came to light yesterday when Dr. Julius S. Held, an art expert and authority on Rubens, said he regards the picture in England as being from the hand of Rubens with perhaps a few touches by his assistants.

In Cleveland, Museum Director Sherman Lee said the institution's Diana "has been properly authenticated and we are satisfied it is by Rubens."

Dr. Held said he does not contend that Rubens had nothing to do with the Cleveland painting but "I think there is more of Rubens' own hand in the Getty version than in the Cleveland one." He described the Cleveland picture as "a good studio replica."

He explained that the old masters often had assistants who did lesser details in a painting and sometimes made copies for practice, with the master aiding. He said the Getty version was full of alterations such as an artist makes when he is working on an original.

While the Cleveland work is handsome and valuable, "it shows the smoothness that comes from copyists' work," Held said.

College Foundation Receives CCA Gift

Gifts received in December by the Ohio Foundation of Independent Colleges included one from the Container Corp. of America plant in Circleville.

More business firms than ever before contributed in both the calendar year and in the month of December to strengthen non-tax-supported colleges in Ohio, Foundation reports.

Contributions from 1,395 donors totaled \$1,905,472 for the 12 months of 1961. This is an expense in both number of gifts and the total amount over 1960, according to Executive Director Harold K. Schellenger. He said the number of donors in Ohio is about double that for any similar foundation in another state.

Contributions will be divided among 32 colleges not supported by taxes, 60 per cent equally, 40 per cent according to enrollment, except in the few cases where donors specify otherwise. Most of the money will go to improvement in faculty salaries.

Laurelville News By Mrs. Ray Poling

Mr. and Mrs. Dave Karr (Beverly McNeal) of South Perry are the parents of a daughter born in Chillicothe Hospital Saturday morning. Grandparents are Mr. Lodema Vorhees of Gibsonville; Mr. and Mrs. Lloyd McNeal, of South Perry Great grand parents are Mr. and Mrs. Harrison Ricketts; Mrs. Lewis Stahr and Mr. Lee Karr.

Mr. and Mrs. Lee Reynolds spent last weekend with relatives in Pennsylvania.

Miss Ruth Bowers of Tipp City spent the weekend with her parents Mr. and Mrs. George Bowers.

Mrs. Frieda Lappen, Mrs. Dorothy Kreig and Mrs. Mary Adeock

of Logan were visitors in Laurelville Thursday afternoon.

Mr. and Mrs. D. B. Chrisman

and son, Don, of Sinking Springs were last Monday guests of Mr. and Mrs. C. F. Bradney.

Mrs. Melvin Mettler and Miss Goldie Byers returned home Wednesday evening after spending several days with Mr. and Mrs. Jack Satterfield of Chicago.

Thursday dinner guests of Mr. and Mrs. Ray Poling were Mr. and

Mrs. Robert White of Logan and Saturday evening supper guests were Mr. and Mrs. Rolla Karahner of Columbus.

The Woman's Society of Christian Service met Wednesday evening in the Church with Mrs. Wilson Ross, Mrs. Hugh Poling and Mrs. Robert Bowers as hostesses.

The meeting was opened with a prayer from the president. Win-

fred Dumm and the group sang "Bless Be the Tide that Binds". Mrs. Mervin McClelland was in charge of Devotions and Program. She read from the books of Psalms and Romans. She gave three different events on social drinking and they were discussed by the group.

Cards were sent to Mrs. Emanuel Schaal, Mrs. Cliff Armstrong and Mrs. George Bowers. Refreshments were served. Oth-

ers present were: Mrs. Ed Fetherolf, Miss Helen Mettler, Mrs. Clay Reichelderfer, Mrs. Darley West, Mrs. Thomas Hockan and Mrs. Ray Poling.

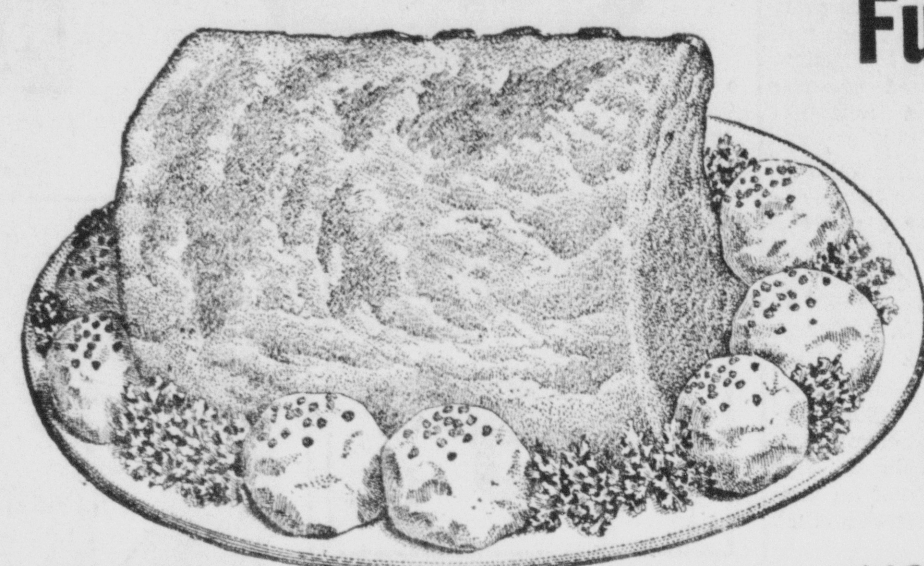

Rev. and Mrs. Raymond Welch of Chillicothe are announcing the engagement of their daughter, Sara Ann, to Lee H. Darby, son of Mr. and Mrs. Lynn Darby of Lienbeck Road, Chillicothe.

Miss Welch, who graduated in

1961 from Chillicothe High School, is employed by the Columbus and Southern Ohio Electric Co. Mr. Darby, a Chillicothe High School graduate of 1958 and the Bailey Institute of Technology of St. Louis Mo., is employed by Ohio Semi-Conductor Inc., Columbus, as an electronics technician.

The couple plan a summer wedding. Rev. Welch is a former pastor of the Laurelville Evangelical United Brethren Church.

Wingding Cage Battles Face Leading Teams

Cincinnati-Bradley Clash Tonight Tops Old Feuding List

By THE ASSOCIATED PRESS
Four members of college basketball's elite are involved tonight in games that in the past have developed into feuding, fussin' and a bit of fightin'.

Foremost is the Missouri Valley Conference clash between Cincinnati (11-1), ranked No. 2 in the current Associated Press poll, and the Bradley Braves (8-2), at Peoria, Ill., a meeting that has always produced dogged battles.

In the Big Eight, fifth-ranked Kansas State (10-2), is host to Kansas (5-6). Duquesne (91) rated eighth, entertains tough Dayton (9-2). Bowling Green (10-1), ninthranked, has Mid-American rival Toledo (74) at its court.

A Southeastern Conference contest that promised to be a wingding was postponed Tuesday night when seventh-ranked Mississippi State, one of the nation's two major unbeaten teams, was turned back by icy roads on its trek to play Alabama.

West Virginia's Mountaineers are back to their old tricks, firmly atop the Southern Conference with a 7-0 mark after beating Virginia Tech 85-81 Tuesday night behind Rod Thorn's 30 points.

Southern Methodist, behind Jan Loudernilk's 26 points, took over complete control of the Southwest Conference by whipping Arkansas on the latter's court 77-70. Rice, which had been tied with the Mustangs, lost its first league game, 85-66, at Texas Tech.

SMU's victory tossed Rice into a second place tie at 2-1 with Texas A&M, 54-52 winner at Baylor, and Texas Tech. Texas' contest at Texas Christian was postponed because of bad weather.

Marquette upset Loyola of Chicago 63-60 in Milwaukee as Len Jeffries contributed four clutch points in the closing minutes.

Butler won its fifth in a row, and handed Notre Dame its sixth straight loss 83-67 at South Bend, Ind. Jeff Blue and Jerry Williams each tallied 26 points to pace Butler. Armand Reo had 24 for the Irish, now 3-8.

Jack Thobe's 24 points paced Xavier of Ohio to a tight 67-65 home court victory over Canisius. Nick Werkman of Seton Hall continued his push toward the top of the individual scoring race with 43 points in Baltimore as the Pirates raced by Baltimore Loyola 88-66. Loyola of New Orleans won over Oklahoma City 76-63 and Cornell came from a 16-point deficit to beat Colgate 73-70.

Penn State and Bucknell were tied 15 times before the Nittany Lions prevailed 61-50. Buffalo handed Syracuse its 16th straight defeat 68-66 and Rhode Island beat Connecticut in the Yankee Conference 70-63.

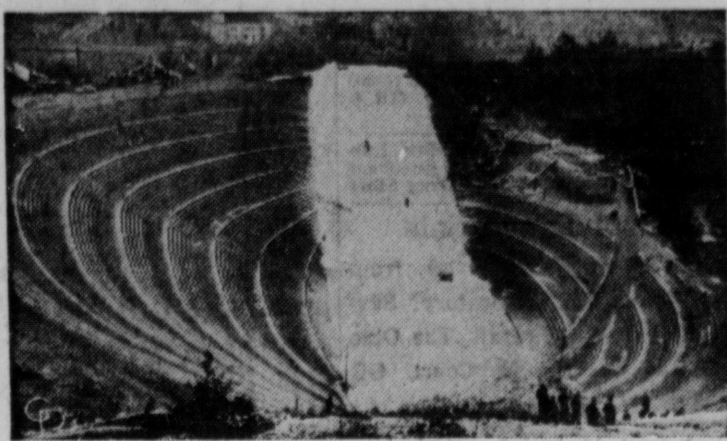

On the Pacific Coast, Washington State won over Idaho 65-60.

Don Schwall, Boston Red Sox rookie pitcher, gave up only eight home runs in his rookie season. He pitched 179 innings in 1961.

Los Angeles Angels pitchers led the American League in strikeouts in 1961, fanning 973. They also led in walks with 713.

SPORTS

The Circleville Herald, Wed. January 10, 1962 15
Circleville, Ohio

GETTING READY FOR '64 OLYMPICS—This is the Greek-style amphitheater at Innsbruck, Austria, which will seat 60,000 and be used for ski events of the winter Olympics in 1964.

Football Stadium Plans Stepped Up

Planning for additional athletic facilities for Circleville High School were stepped up last night during a meeting of Booster Club officers and directors.

The Boosters for the last several months have been studying possibilities for erection of a football stadium and allied track and baseball facilities on land at the Nicholas Drive area which was recently purchased by the Board of Education. The property, already the site for a new elementary school now under construction, encloses about 26 acres.

Biggest problem facing the proposed athletic plant is financing. Current work has centered on establishing a sound plan before approaching the local Board of Education for approval or rejection of the idea.

A special committee, headed by Chairman Gene Hanson, has spent considerable time visiting other schools for ideas, plus obtaining drawings for the project here. Schools visited where new facilities have been added include Washington C. H., Pleasant View and Berne Union.

ESTIMATES for a Nicholas Drive stadium have ranged from \$30,000 to \$50,000. How to raise this money was debated at length last night.

An early suggestion was to form a corporation, with the inclusion of the Circleville Athletic Department. This proposal will be studied further at a future meeting.

Plans discussed for financing the project included the possible obtaining of note signers and bond buyers under both an individual and commercial canvass. Amounts suggested ranged from \$100 to \$500.

Aware of a big selling job ahead, the Boosters agreed that attempts must be made to obtain endorsements from local clubs and organizations.

Hanson's special project committee has scheduled another meeting for 8 p. m. Monday at Benny's Restaurant. Emphasis will be placed on the selection of a financial plan which will be presented to the entire club for consideration.

In other business, Bob Chapman, assistant manager at City Loan,

was named a new Booster director.

A committee reported on possibilities for an all-sports banquet this year. Secretary Charles Walters told the group that the Cleveland Browns touring basketball team has been contacted relative to scheduling a game here in the near future.

PIN BRIEFS

Ladies Tues. Night

High individual one and three matches — Judy Dietrich, with 220 and 518 at Circle D Lanes.

Best team singles and series — Ullman's, with 761 and 2,225. All league scores figured without handicaps.

Pick. Mixed Doubles

Top individual one game, —Phil Miller, with 221; high individual series — Charles Styers, with 556 at Prairie Lanes.

High team one and three contests — Miller-Eaton, with 737 and 2,118. All loop scores computed with handicaps.

Harness Writers Name New Officers

COLUMBUS, Ohio (AP) — The Ohio chapter of the U.S. Harness Writers Association has elected Charles Stokes, director of public relations at Scioto Downs near Columbus, its president.

The new vice president is Warren (Bud) Nelson, public relations director at Lebanon and Hamilton raceways. Larry Evans of the U.S. Trotting Association was re-elected secretary-treasurer.

Wil Kilburger of the Columbus Dispatch, outgoing president of the writers, and George Lewis of the Cleveland Plain Dealer won the chapter's annual writing awards.

Ohio State's Bob Ferguson led Big Ten scorers in 1961 with nine touchdowns for 54 points. Wisconsin's Hugh (Pat) Richter was second with 42 points.

10 Indicted In Cage Probe

Grand Jury Airs Point-Fix Scandal

RALEIGH, N.C. (AP) — Ten men, including a major gambling king pin, face trial on 65 charges resulting from the nationwide basketball point-fixing scandal.

The Wake County Grand Jury returned the true bills Tuesday which mentioned for the first time games played in the Atlantic Coast Conference Tournament and the defunct Dixie Classic.

The action brought the number of players involved in the current scandal to 38 from 23 colleges.

Bonds of \$10,000 each were set for Dave Louis Goldberg, about 46, and Steve Lekometros, 39, both of whom were arrested Tuesday night in St. Louis, where they live. They refused to waive extradition.

Each was indicted on 34 counts of actual bribery, attempted bribery or conspiracy to bribe.

Raleigh district solicitor (prosecutor) Lester Chalmers termed Goldberg a top "backer," a slang name for the supplier of payoff money in a rigged athletic contest. Chalmers said Lekometros was an associate of Goldberg's.

The indictments listed 10 games involving North Carolina State College from Dec. 5, 1959 to Jan. 7, 1961. State players Don Gallagher, Anton Muehlbauer and Stan Niewierowski were mentioned in the indictments. They were not charged.

The games included the South Carolina-N.C. State game played in the first round of the ACC Tournament of 1959. The indictment mentioned Mike Callahan of South Carolina as having been offered \$1,000 to influence the game's outcome. State won 75-72. No South Carolina player had been mentioned previously in connection with the scandal. Callahan was not charged.

The State-Dayton game in the Dixie Classic of 1959 also was listed. The indictment said Gallagher was paid \$1,000 to shave points. Dayton won 36-32.

Goldberg, Lekometros and Joseph Eugene Greene, Aaron Wagman, and Joseph Hacken, all of New York City, were indicted in connection with all 10 games.

Others indicted were Jake Israel and Paul Walker of New York, Frank Cardone and Morris Heyison, both of Pittsburgh, and Pete J. Martino of Biloxi, Miss.

Cleveland Signs New Bonus Baby

CLEVELAND (AP) — Sam McDowell, the most heralded Cleveland pitcher since Herb Score came up a decade ago, is being counted on to bolster the Indians' pitching corps this season.

He put his name to a contract Tuesday. The \$70,000 bonus baby—still a teenager at 19—said he has fully recovered from the two broken ribs he suffered in his only appearance in a Cleveland uniform.

That came last September. He had shut out the Minnesota Twins for 6 1-3 innings before he slipped on the mound.

"I still don't know how it happened," said the fire-balling left-hander. "All I know is that when I threw that pitch it felt as though my whole right side was caving in. Dr. Don Kelly (club physician) said I'm 100 per cent now and I feel it."

Miami Edges Kent To Lead New List of Cliff-Hangers

By THE ASSOCIATED PRESS
Miami's Redskins basketballers poured one of those one-point victories out of the Mid-American Conference mold Tuesday night, and the next move is up to Bowling Green's equally squeaker-happy Falcons.

LeVern Benson tallied 34 points for Miami as the 'Skins nosed out Kent State 64-63. Bowling Green entertains Toledo tonight, and if successful, the Falcons—who have won their two Mid-Am tiffs by a total of three points—will match 3-0 records with Miami at Bowling Green Saturday night.

There were a couple of other cliff-hangers in Ohio college action Tuesday night. Xavier spilled Canisius 67-65 and Otterbein tripped archrival Capital 64-62. But it's doubtful the celebrations on the "X" and Otter campuses matched those at little Hiram.

Hiram's Terriers bit Heidelberg 52-47, marking the end of their

Syracuse Subs Steal Show in Pro Basketball

PHILADELPHIA (AP) — Old man Joe Graboski, an unheralded veteran of 12 years in the National Basketball Association, and Al Bianchi, another Syracuse reserve seldom in the limelight, finally had their day in court—basketball court, that is.

The two, subbing for the injured Dolph Schayes and Larry Costello, focused attention on the importance of reserve strength.

Coach Alex Hannum of Syracuse had plenty of compliments for the pair after the Nats defeated Philadelphia 129-120 Tuesday night in the nightclub of a Convention Hall doubleheader.

"The reason we won," said Hannum, "was Bianchi and Graboski—and our rebounding."

The Warriors' reserve strength couldn't match the Nats.

Graboski, a former Warriors' player scored 12 points. Bianchi finished with 19 points.

In the opener of the doubleheader, Detroit whipped St. Louis 122-113 as the Hawks had a poor shooting night.

At Indianapolis, in the only other NBA action, Oscar Robertson pumped in 33 points as Cincinnati turned back the Chicago Packers 113-106.

USE THE CLASSIFIEDS

27-game losing streak in the Ohio Conference dating back to Dec. 11, 1959.

Ashland lengthened its Mid-Ohio League lead by clipping Wilmington 90-70. That boosted the agles' loop record to 4-1 while Cedarville, with a chance to take undisputed runnerup spot, instead dropped to 2-2 when it lost to Bluffton, 75-59.

Case Tech rolled along in the Presidents' Conference, upping its league log to 5-1 by winning at Thiel, 53-50.

In interstate games, Oberlin downed Allegheny 66-41, Muskingum outscored Lawrence Tech 97-92 and Baldwin - Wallace routed Adrian 92-39 to uphold Ohio Conference prestige despite Marietta's 85-68 loss to Morris Harvey. Western Reserve topped Penn 70-61, while Malone kept Wilberforce winless, 80-72.

In the Mid-Am feature, Kent (0-1 in the circuit) missed three shots in the last 50 seconds that would have erased Miami's lead. The Golden Flashes' Harvey Hunt gave Benson a good duel, scoring 27 points, in a game that was close all the way. Kent led 38-37 at halftime.

Xavier's victory was not quite as narrow as the score indicates. The Musketeers, led by Jack Thobe's 24 points, were ahead by five until Canisius scored three points in the final three seconds. Canisius had beaten Dayton last week after Dayton trounced Xavier.

Otterbein won its Ohio Conference fray from Capital when Bill Dodson hooked in a 30-foot shot with two seconds left. Cap had wiped out an early 26-10 Otter lead and tied the game seven times the last half.

Bill Meyer set the pace with 23 points as Hiram led all the way in beating Heidelberg. Other top individual efforts were Willy Ritzhaupt's 36 points for Ashland and Jim Burson's 31 for Muskingum.

Tonight's schedule isn't heavy, but it has three big games in Cincinnati at Bradley, Dayton and Duquesne and Toledo at Bowling Green.

SATURDAY JANUARY 20TH IS THE DEADLINE TO PURCHASE DOG LICENSES!

A license is required by law for every dog three months and older. License fees are \$2.00 for male, spayed female and female dogs; and \$10.00 for a kennel license. Any dog owner who fails to purchase a license may be fined as much as \$25.00 and costs. Unlicensed dogs are stray dogs and can be picked up and impounded as such.

If a licensed dog is lost or injured the owner can be located within a few minutes by checking with the County Auditor's Office or the Animal Shelter.

Licenses can be purchased daily at the following places:

The office of the County Auditor, Courthouse, Circleville, Ohio

Paul A. Goldhardt, Commercial Point, Ohio

Robert Riser Grocery, Darbyville, Ohio

Jim Sealock, Orient, Ohio

Clyde Brinker, Ashville, Ohio

Earl Rohrer, New Holland, Ohio

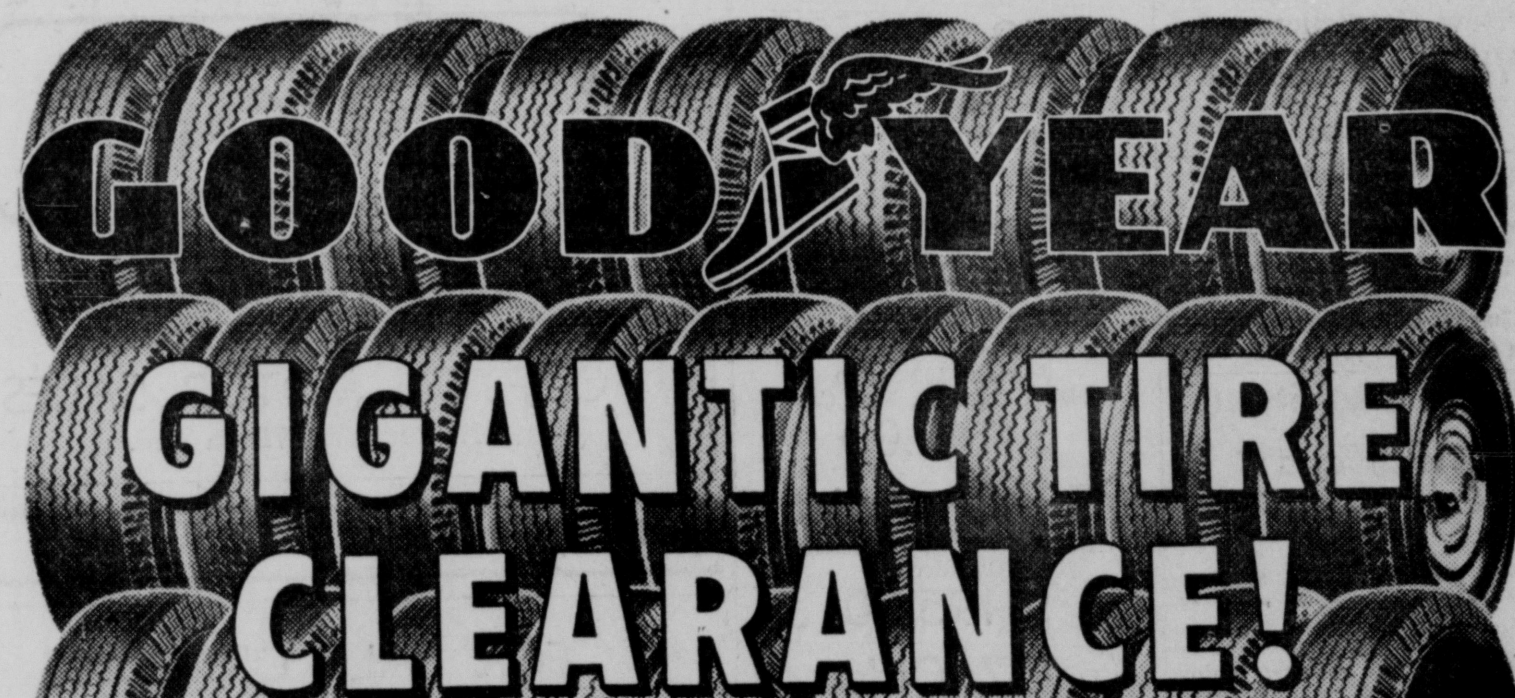

Nelson Jones, Tarlton, Ohio

Dunlap Company, Williamsport, Ohio

Lafe Shaw Grocery, Era, Ohio

Dog owners may also obtain license tags by mail, by forwarding the proper fee, and a complete description (sex, breed, age, color, long or short hair) and a self-addressed stamped return envelope to the County Auditor at the Courthouse.

Wingding Cage Battles Face Leading Teams

Cincinnati-Bradley Clash Tonight Tops Old Feuding List

By THE ASSOCIATED PRESS

Four members of college basketball's elite are involved tonight in games that in the past have developed into feudin', fussin' and a bit of fightin'.

Foremost is the Missouri Valley Conference clash between Cincinnati (11-1), ranked No. 2 in the current Associated Press poll, and the Bradley Braves (8-2), at Peoria, Ill., a meeting that has always produced dogged battles.

In the Big Eight, fifth-ranked Kansas State (10-2), is host to Kansas (5-6). Duquesne (9-1) rated eighth, entertains tough Dayton (9-2). Bowling Green (10-1), ninthranked, has Mid-American rival Toledo (7-4) at its court.

A Southeastern Conference contest that promised to be a wingding was postponed Tuesday night when seventh-ranked Mississippi State, one of the nation's two major unbeaten teams, was turned back by icy roads on its trek to play Alabama.

West Virginia's Mountaineers are back to their old tricks, firmly atop the Southern Conference with a 7-0 mark after beating Virginia Tech 85-81 Tuesday night behind Rod Thorn's 30 points.

Southern Methodist, behind Jan Loudermilk's 26 points, took over complete control of the Southwest Conference by whipping Arkansas on the latter's court 77-70. Rice, which had been tied with the Mustangs, lost its first league game, 85-66, at Texas Tech.

SMU's victory tossed Rice into a second place tie at 2-1 with Texas A&M, 54-52 winner at Baylor, and Texas Tech. Texas' contest at Texas Christian was postponed because of bad weather.

Marquette upset Loyola of Chicago 63-60 in Milwaukee as Len Jeffries contributed four clutch points in the closing minutes.

Butler won its fifth in a row, and handed Notre Dame its sixth straight loss 83-67 at South Bend, Ind. Jeff Blue and Jerry Williams each tallied 26 points to pace Butler. Armand Reo had 24 for the Irish, now 3-8.

Jack Thobe's 24 points paced Xavier of Ohio to a tight 67-65 home court victory over Canisius.

Nick Werkman of Seton Hall continued his push toward the top of the individual scoring race with 43 points in Baltimore as the Pirates raced by Baltimore Loyola 88-66. Loyola of New Orleans won over Oklahoma City 76-63 and Cornell came from a 16-point deficit to beat Colgate 73-70.

Penn State and Bucknell were tied 15 times before the Nittany Lions prevailed 61-50. Buffalo handed Syracuse its 16th straight defeat 68-66 and Rhode Island beat Connecticut in the Yankee Conference 70-63.

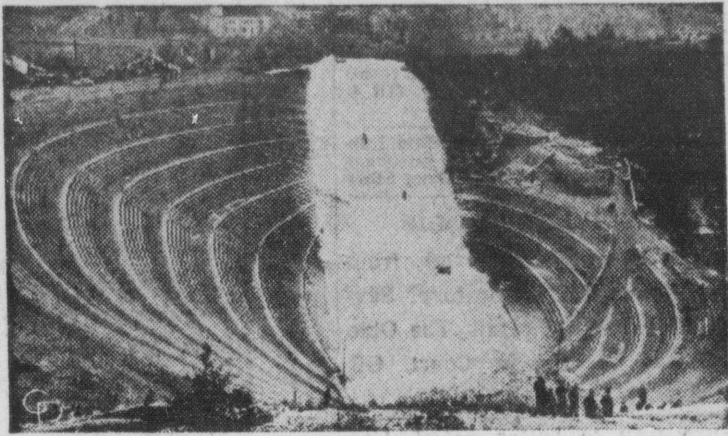

On the Pacific Coast, Washington State won over Idaho 65-60.

Don Schwall, Boston Red Sox rookie pitcher, gave up only eight home runs in his rookie season. He pitched 179 innings in 1961.

Los Angeles Angels pitchers led the American League in strikeouts in 1961, fanning 973. They also led in walks with 713.

The Circleville Herald, Wed. January 10, 1962 15
Circleville, Ohio

GETTING READY FOR '64 OLYMPICS—This is the Greek-style amphitheater at Innsbruck, Austria, which will seat 60,000 and be used for ski events of the winter Olympics in 1964.

Football Stadium Plans Stepped Up

Planning for additional athletic facilities for Circleville High School were stepped up last night during a meeting of Booster Club officers and directors.

The Boosters for the last several months have been studying possibilities for erection of a football stadium and allied track and baseball facilities on land at the Nicholas Drive area which was recently purchased by the Board of Education. The property, already the site for a new elementary school now under construction, encloses about 26 acres.

Biggest problem facing the proposed athletic plant is financing. Current work has centered on establishing a sound plan before approaching the local Board of Education for approval or rejection of the idea.

A special committee, headed by Chairman Gene Hanson, has spent considerable time visiting other schools for ideas, plus obtaining drawings for the project here. Schools visited where new facilities have been added include Washington C. H., Pleasant View and Berne Union.

ESTIMATES for a Nicholas Drive stadium have ranged from \$30,000 to \$50,000. How to raise this money was debated at length last night.

An early suggestion was to form a corporation, with the inclusion of the Circleville Athletic Department. This proposal will be studied further at a future meeting.

Plans discussed for financing the project included the possible obtaining of note signers and bond buyers under both an individual and commercial canvass. Amounts suggested ranged from \$100 to \$500.

Aware of a big selling job ahead, the Boosters agreed that attempts must be made to obtain endorsements from local clubs and organizations.

Hanson's special project committee has scheduled another meeting for 8 p. m. Monday at Benny's Restaurant. Emphasis will be placed on the selection of a financial plan which we will then be presented to the entire club for consideration.

In other business, Bob Chapman, assistant manager at City Loan,

was named a new Booster director.

A committee reported on possibilities for an all-sports banquet this year. Secretary Charles Walters told the group that the Cleveland Browns touring basketball team has been contacted relative to scheduling a game here in the near future.

Ladies Tues. Night

High individual one and three matches — Judy Dietrich, with 220 and 518 at Circle D Lanes.

Best team singles and series — Ullman's, with 761 and 2,225. All league scores figured without handicaps.

Pick. Mixed Doubles
Top individual one game, —Phil Miller, with 221; high individual series — Charles Styers, with 556 at Prairie Lanes.

High team one and three contests — Miller-Eaton, with 737 and 2,118. All loop scores computed with handicaps.

Harness Writers Name New Officers

COLUMBUS, Ohio (AP) — The Ohio chapter of the U.S. Harness Writers Association has elected Charles Stokes, director of public relations at Scioto Downs near Columbus, its president.

The new vice president is Warren (Bud) Nelson, public relations director at Lebanon and Hamilton raceways. Larry Evans of the U.S. Trotting Association was re-elected secretary-treasurer.

Wil Kilburger of the Columbus Dispatch, outgoing president of the writers, and George Lewis of the Cleveland Plain Dealer won the chapter's annual writing awards.

Ohio State's Bob Ferguson led Big Ten scorers in 1961 with nine touchdowns for 54 points. Wisconsin's Hugh (Pat) Richter was second with 42 points.

10 Indicted In Cage Probe

Grand Jury Airs Point-Fix Scandal

RALEIGH, N.C. (AP) — Ten men, including a major gambling king pin, face trial on 65 charges resulting from the nationwide basketball point-fixing scandal.

The Wake County Grand Jury returned the true bills Tuesday which mentioned for the first time games played in the Atlantic Coast Conference Tournament and the defunct Dixie Classic.

The action brought the number of players involved in the current scandal to 38 from 23 colleges.

Bonds of \$10,000 each were set for Dave Louis Goldberg, about 46, and Steve Lekometros, 39, both of whom were arrested Tuesday night in St. Louis, where they live. They refused to waive extradition.

Each was indicted on 34 counts of actual bribery, attempted bribery or conspiracy to bribe.

Raleigh district solicitor (prosecutor) Lester Chalmers, termed Goldberg a top "backer," a slang name for the supplier of payoff money in a rigged athletic contest. Chalmers said Lekometros was an associate of Goldberg's.

The indictments listed 10 games involving North Carolina State College from Dec. 5, 1959 to Jan. 7, 1961. State players Don Gallagher, Anton Muehlbauer and Stan Niewierowski were mentioned in the indictments. They were not charged.

The games included the South Carolina-N.C. State game played in the first round of the ACC Tourney of 1959. The indictment mentioned Mike Callahan of South Carolina as having been offered \$1,000 to influence the game's outcome. State won 75-72. No South Carolina player had been mentioned previously in connection with the scandal. Callahan was not charged.

The State-Dayton game in the Dixie Classic of 1959 also was listed. The indictment said Gallagher was paid \$1,000 to shave points. Dayton won 36-32.

Goldberg, Lekometros and Joseph Eugene Greene, Aaron Wagman, and Joseph Hacken, all of New York City, were indicted in connection with all 10 games.

Others indicted were Jake Israel and Paul Walker of New York, Frank Cardone and Morris Heyison, both of Pittsburgh, and Pete J. Martino of Biloxi, Miss.

Cleveland Signs New Bonus Baby

CLEVELAND (AP) — Sam McDowell, the most heralded Cleveland pitcher since Herb Score came up a decade ago, is being counted on to bolster the Indians' pitching corps this season.

He put his name to a contract Tuesday. The \$70,000 bonus baby—still a teenager at 19—said he has fully recovered from the two broken ribs he suffered in his only appearance in a Cleveland uniform.

That came last September. He had shut out the Minnesota Twins for 6 1-3 innings before he slipped on the mound.

"I still don't know how it happened," said the fire-balling left-hander. "All I know is that when I threw that pitch it felt as though my whole right side was caving in. Dr. Don Kelly (club physician) said I'm 100 per cent now and I feel it."

Miami Edges Kent To Lead New List of Cliff-Hangers

By THE ASSOCIATED PRESS

Miami's Redskins basketballers poured one of those one-point victories out of the Mid-American Conference mold Tuesday night, and the next move is up to Bowling Green's equally squeaker-happy Falcons.

LeVern Benson tallied 34 points for Miami as the 'Skins nosed out Kent State 64-63. Bowling Green entertains Toledo tonight, and if successful, the Falcons—who have won their two Mid-Am tiffs by a total of three points—will match 3-0 records with Miami at Bowling Green Saturday night.

There were a couple of other cliff-hangers in Ohio college action Tuesday night. Xavier spilled Canisius 67-65 and Otterbein tripped archrival Capital 64-62. But it's doubtful the celebrations on the "X" and Otter campuses matched those at little Hiram.

Hiram's Terriers bit Heidelberg 52-47, marking the end of their

27-game losing streak in the Ohio Conference dating back to Dec. 11, 1959.

Ashland lengthened its Mid-Ohio League lead by clipping Wilmington 90-70. That boosted the eagles' loop record to 4-1 while Cedarville, with a chance to take undisputed runnerup spot, instead dropped to 2-2 when it lost to Bluffton, 75-59.

Case Tech rolled along in the Presidents' Conference, upping its league log to 5-1 by winning at Thiel, 53-50.

In interstate games, Oberlin downed Allegheny 66-41, Muskingum outscored Lawrence Tech 97-92 and Baldwin - Wallace routed Adrian 92-39 to uphold Ohio Conference prestige despite Marietta's 85-68 loss to Morris Harvey. Western Reserve topped Fenn 70-61, while Malone kept Wilberforce winless, 80-72.

In the Mid-Am feature, Kent (0-1 in the circuit) missed three shots in the last 50 seconds that would have erased Miami's lead. The Golden Flashes' Harvey Hunt gave Benson a good duel, scoring 27 points, in a game that was close all the way. Kent led 38-37 at halftime.

Xavier's victory was not quite as narrow as the score indicates. The Musketeers, led by Jack Thobe's 24 points, were ahead by five until Canisius scored three points in the final three seconds. Canisius had beaten Dayton last week after Dayton trounced Xavier.

Otterbein won its Ohio Conference fray from Capital when Bill Dodson hooked in a 30-foot shot with two seconds left. Cap had wiped out an early 26-10 Otter lead and tied the game seven times the last half.

Bill Meyer set the pace with 23 points as Hiram led all the way in beating Heidelberg. Other top individual efforts were Willy Ritzhaupt's 36 points for Ashland and Jim Burson's 31 for Muskingum.

Tonight's schedule isn't heavy, but it has three big games in Cincinnati at Bradley, Dayton and Duquesne and Toledo at Bowling Green.

SATURDAY JANUARY 20TH IS THE DEADLINE TO PURCHASE DOG LICENSES!

A license is required by law for every dog three months and older. License fees are \$2.00 for male, spayed female and female dogs; and \$10.00 for a kennel license. Any dog owner who fails to purchase a license may be fined as much as \$25.00 and costs. Unlicensed dogs are stray dogs and can be picked up and impounded as such.

If a licensed dog is lost or injured the owner can be located within a few minutes by checking with the County Auditor's Office or the Animal Shelter.

Licenses can be purchased daily at the following places:

The office of the County Auditor, Courthouse, Circleville, Ohio

Paul A. Goldhardt, Commercial Point, Ohio

Robert Riser Grocery, Darbyville, Ohio

Jim Sealock, Orient, Ohio

Clyde Brinker, Ashville, Ohio

Earl Rohrer, New Holland, Ohio

Nelson Jones, Tarlton, Ohio

Dunlap Company, Williamsport, Ohio

Lafe Shaw Grocery, Era, Ohio

Dog owners may also obtain license tags by mail, by forwarding the proper fee, and a complete description (sex, breed, age, color, long or short hair) and a self-addressed stamped return envelope to the County Auditor at the Courthouse.

\$9.3 Million TV Deal OK'd by NFL

MIAMI BEACH, Fla. (AP) — Commissioner Pete Rozelle of the National Football League was expected to sign a new \$9.4-million television contract today giving the Columbia Broadcasting System exclusive rights to all regular season game for the next two years.

The new contract, calling for \$4.65 million per year, would bring each of the 14 clubs about \$320,000 after deduction of certain fees.

The contract was made possible by congressional action in late summer after a similar deal had been nullified last July by a federal judge who found it in violation of the antitrust laws. The new law permits such contracts by pro football, baseball, basketball and hockey leagues.

Bowler Flustered By Telephone Call

CLEVELAND (AP) — Arthur Schreckengost had rolled three straight strikes at Richmond Lanes Tuesday night when he received a telephone call informing him his \$30,000 home in suburban Highland Heights was ablaze.

Learning that his wife and two children were safe, Schreckengost went back to the game. But the news ruined his form.

"I threw two gutter balls and left," Schreckengost told a reporter.

The fire was blamed on defective wiring. It caused an estimated \$10,000 damage.

Probation Extension Faces Arizona

CHICAGO (AP)—Arizona's probationary period may be extended and toughened today at the 56th NCAA convention.

NCAA Executive Director Walter Byers would confirm only that a representative of the school would appear before the powerful NCAA Council.

Speculation was lively that Arizona's one-year term, imposed a year ago for football recruiting violations, may not be terminated as scheduled.

Bill Orwig, Indiana's athletic director, also will appear at the closed session. Indiana was placed on NCAA probation for four years on April 27, 1960, also for football recruiting violations.

The Big Ten, which had taken similar action, restored the Hoosiers to good standing last spring and Indiana has appealed to the NCAA for a review of its penalty.

When Arizona was placed on probation a year ago, the NCAA limited it to one year without additional sanctions because, Byers said, "of the corrective program undertaken by the university and its promise to take disciplinary action against the parties involved."

One assistant coach who was involved in the censored recruiting, Ron Marciniak, was subsequently rehired when his contract was due to expire. Another coach cited in the probationary report, Van Howe, resigned.

Spahn Awaits Musial Retirement

HOUSTON (AP) — Warren Spahn, pitcher for the Milwaukee Braves, says he's glad to hear Stan Musial may retire after the 1962 season.

"I just want to play one year when that guy isn't around with his big bat," Spahn said Tuesday night at Houston's second major league dinner.

Spahn, winner of 309 games, was one of three stars who received awards at the dinner. The others were Musial and Mickey Mantle.

"These three men are tops in their profession," Warren Giles, president of the National League said. "At the appropriate time each will have a place in the Hall of Fame at Cooperstown, N.Y."

Canton Municipal Judge Hands In Resignation

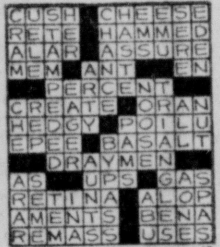

CANTON, Ohio (AP)—Municipal Court Judge Adolph Unger, 72, has submitted his resignation to Gov. Michael V. DiSalle, effective March 4.

The judge is a former mayor of Tiffin and a West Point classmate of Dwight D. Eisenhower. He said he was resigning because of his age, the heavy work load in the Canton court and his dissatisfaction with constitutional limitations that now requires him to take a pay cut of \$2,000 to an annual salary of \$11,809.

The Detroit Tigers have set Feb. 7 as the reporting date for rookies and minor league players. They train at Lakeland, Fla.

Probation Extension Faces Arizona

CHICAGO (AP)—Arizona's probationary period may be extended and toughened today at the 56th NCAA convention.
NCAA Executive Director Walter Byers would confirm only that a representative of the school would appear before the powerful NCAA Council.
Speculation was lively that Arizona's one-year term, imposed a year ago for football recruiting violations, may not be terminated as scheduled.
Bill Orwig, Indiana's athletic director, also will appear at the closed session. Indiana was placed on NCAA probation for four years on April 27, 1960, also for football recruiting violations.
The Big Ten, which had taken similar action, restored the Hoosiers to good standing last spring and Indiana has appealed to the NCAA for a review of its penalty.
When Arizona was placed on probation a year ago, the NCAA limited it to one year without additional sanctions because, Byers said, "of the corrective program undertaken by the university and its promise to take disciplinary action against the parties involved."
One assistant coach who was involved in the censured recruiting, Ron Marcinak, was subsequently rehired when his contract was due to expire. Another coach cited in the probationary report, Van Howe, resigned.

Spahn Awaits Musial Retirement

HOUSTON (AP) — Warren Spahn, pitcher for the Milwaukee Braves, says he's glad to hear Stan Musial may retire after the 1962 season.
"I just want to play one year when that guy isn't around with his big bat," Spahn said Tuesday night at Houston's second major league dinner.
Spahn, winner of 309 games, was one of three stars who received awards at the dinner. The others were Musial and Mickey Mantle.
"These three men are tops in their profession," Warren Giles, president of the National League said. "At the appropriate time each will have a place in the Hall of Fame at Cooperstown, N.Y."

Canton Municipal Judge Hands In Resignation

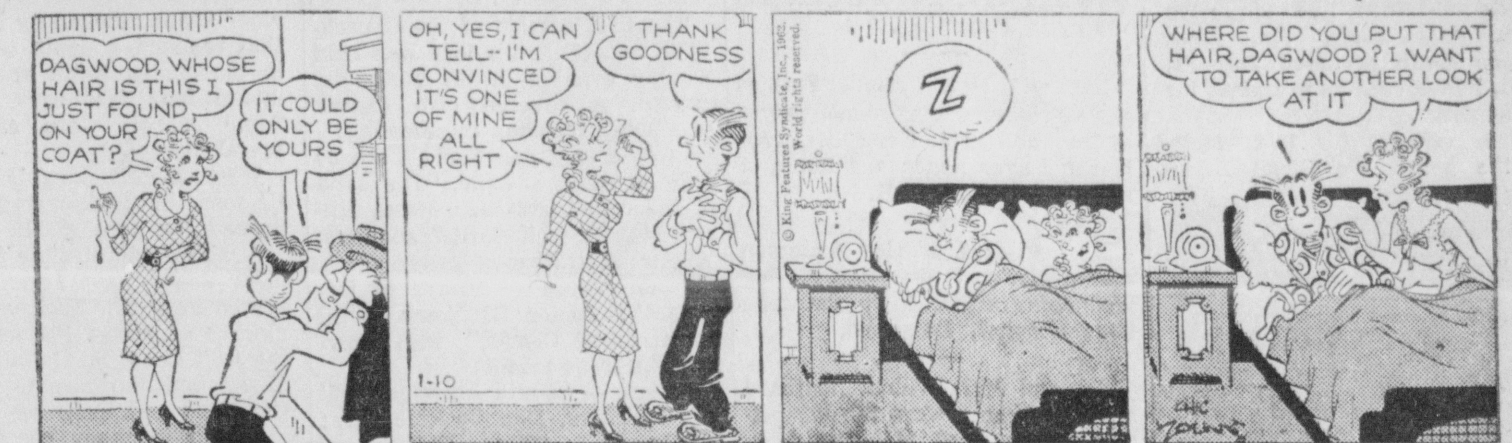

CANTON, Ohio (AP)—Municipal Court Judge Adolph Unger, 72, has submitted his resignation to Gov. Michael V. DiSalle, effective March 4.
The judge is a former mayor of Tiffin and a West Point classmate of Dwight D. Eisenhower.
He said he was resigning because of his age, the heavy workload in the Canton court and his dissatisfaction with constitutional limitations that now requires him to take a pay cut of \$2,000 to an annual salary of \$11,809.
The Detroit Tigers have set Feb. 7 as the reporting date for rookies and minor league players. They train at Lakeland, Fla.

Kirkpatrick New President Of NH Bank

NEW HOLLAND — Robert W. Kirkpatrick, associated with the New Holland First National Bank for 18 years, was named president of the financial institution at a meeting of the board of directors Tuesday.

Kirkpatrick, grandson of the late George Kirkpatrick who was one of the bank's founders and its president for years, succeeds the late H. E. Louis in the president's chair. Mr. Louis, whose death occurred July 31, 1961, had served as president for eight years.

Other officers for 1962 elected by the board are Virgil Bryan,

ROBERT W. KIRKPATRICK

vice president; Harry K. Armstrong, chairman of the board; Betty Hott, cashier; Ruth Monteth, assistant cashier, and Vivian Gifford, bookkeeper.

Directors elected for 1962 are Kirkpatrick, Bryan, Armstrong, Joe Owens, Roy L. Stewart and N. B. Fannin.

KIRKPATRICK worked in the bank a year before World War II, and after serving four years in Gen. Patton's European army he became a bookkeeper in 1945, later moving up to cashier.

He is a member of the New Holland Lions Club, the Masonic lodge (he is a 32nd degree Mason and a Shriner), the American Legion, treasurer of the New Holland Methodist Church and a leader in civic affairs.

He, his wife and their two sons live at 41 S. Main St. A daughter is in nurses training at Mercy Hospital, Toledo.

During the past several years the bank has been remodeled and offers a number of modern financial services to the community. It is a member of the Federal Reserve System and the FDIC (which insures every account up to \$10,000). It offers a Christmas savings plan, Commodity Corp. contracts, time savings, a small loan department, mail deposits and farm and home loans.

Handles Scrolls

LONDON (AP) — A 22-year-old English actress is one of the few people ever allowed to handle part of the famed Dead Sea Scrolls.

It happened during filming of one of 39 episodes of "Journey of a Lifetime," a British TV series in which Anne Lawson plays the wife of a U. N. irrigation expert. The young couple are depicted discovering the Holy Land and visiting various Biblical scenes in Israel and Jordan.

The dried, brittle roll of parchment, more than 2,000 years old, was placed in Miss Lawson's hands by Yusuf Saad, a director of the Jordanian Archaeological Museum near the city of Jordan.

The Bantu languages, of which Swahili is one, blanket most of the southern half of Africa.

Five Points News By Mrs. Francis Furniss

There were 87 present at the Five Points Methodist Sunday School Sunday morning and for worship service Sunday morning with Holy Communion. The MYF met at the church in the evening.

Mr. and Mrs. Kenneth Redman and Mr. and Mrs. Richard Redman and children Cathy and Ricky were Saturday evening dinner guests of Mrs. Medrith Cook and family of Plain City.

Mr. and Mrs. Francis Furniss were Friday evening dinner guests of Mr. and Mrs. Gene R. Donohoe and sons Roger and Robin of near Washington, C. H.

Mr. and Mrs. Shirley Anderson visited Mr. and Mrs. Henry Long Wednesday afternoon in the Jane Case Hospital, Delaware.

Mr. and Mrs. Wilbur Beathard and son Jimmy were Sunday afternoon guests of Mr. and Mrs. Ray Reisinger of near Williamsport.

Mr. and Mrs. Raymond Gahm of Williamsport were Sunday evening guests of Mr. and Mrs. Paul Moore and sons.

Mr. and Mrs. Charles Shipley of Chillicothe, Miss Cheryl Shipley of Cincinnati and Mr. and Mrs. Robert Grace and family of Columbus were recent guests of Mr. and Mrs. Charles Parks.

Mr. and Mrs. Herman Porter, Mr. and Mrs. Harry A. Dick, Mr. and Mrs. Lawrence Reid and children Brenda and Brad of near Darbyville, Mr. and Mrs. Robert Dick and children Danny and Debbie of Circleville were Sunday evening guests of Mr. and Mrs. Arthur Dick and sons.

Mr. and Mrs. Herschell Long and daughter, Florence, Mr. and Mrs. Robert Morgan and children Nancy, Ned and Bruce were Sunday dinner guests of Mr. and Mrs. Dwight Reid and family.

Mr. and Mrs. Ernest Sheets were Thursday afternoon guests of Mr. and Mrs. James Sheets in Harrisburg.

Mrs. Ray Hanawalt was the Thursday afternoon guest of Mrs. Grace Downs.

Mr. and Mrs. Clark Dennis were Sunday evening guests of Mr. and Mrs. Kenneth Redman.

Williamsport

The first session of the Church-Wide School of Missions was held Sunday evening in the Methodist Church. A covered dish supper was held preceding the meeting.

Classes and their leaders are as follows: Adult — topic, "The Land of Eldorado" with Mrs. Marie Gibson, Mrs. Russell Wardell and Mrs. William McOmber in charge;

Senior Youth — "Days of Decisions"; Junior Hi Youth — "In the time of Concor" with Lawrence Ater as leader;

Juniors — "South America, all Mr. and Mrs. Don Cook leaders; Primary — "Three Children of Chile" Mrs. Russell Timmons, leader;

Kindergarten — "Three Children of South America" Mr. and Mrs. Milton Tootle, leaders.

The meetings will be held January 14, 21, 28, and February 4. At the January 14 meeting the 1st of the Church will be in charge, with James Sykes and Russell Timmons, Co-Chairmen assisted by Gerald Reynolds and Carl Hooks.

January 21 the Couples Club will be in charge and co-chairmen are Mr. and Mrs. Ellwyn Hulse, Mr. and Mrs. Edward Gahm and Mr. and Mrs. Ray Strawser.

The January 28 meeting senior youth will be in charge with Mr. and Mrs. Cooke Metzger and Mr. and Mrs. Joe Cottrell in charge.

The February 4 meeting will have the Junior Hi Youth in charge. Mr. and Mrs. Ovid Clark, Mr. and Mrs. Paul Fenstermaker and Mr. and Mrs. Don McDill as leaders.

These meetings are being planned for congregating in the newly built Educational Unit. Miss Norma Jean Anderson is in charge of the nursery.

Friends and relatives congratulated Mr. and Mrs. Luther Ander-

It's . . .

(Continued from Page 1) and readings hit -8 in both states. The extreme cold also forced closings of schools in Iowa and high winds drifted snow on scores of roads. Temperatures dropped so low in the state, school buses with winter equipment found it too cold to operate.

Colorado school officials estimated that less than one-fourth of the state's 450,000 elementary school children attended classes Tuesday. Estes Park had the state's lowest reading, -34.

In western New York State Tuesday, highway crews fought to clear roads blocked by a snowfall that reached a depth of two feet in places. In some areas, drifts up to four feet were reported. Some schools were closed and travel disrupted.

Western Pennsylvania got a little snow, but temperatures ranged around the zero mark.

A wide section of the South was under snow that ranged up to 8 inches in depth. The snow forced closing of roads 100 miles from the Gulf Coast in Alabama and in Mississippi, northern Georgia, the Carolinas and Tennessee.

Schools in many counties were ordered closed and in Mississippi a state holiday was declared because of the inclement weather.

A wild blizzard driven by winds of 32 miles an hour pushed into the Texas Panhandle, bringing a serious threat to vegetable and citrus growers in the lower Rio Grande Valley.

In Northern California, an unseasonable warm spell produced a reading of 73 degrees in San Francisco.

Niles Educator Resigns

WARREN, Ohio (AP) — Marcus V. McEvoy, an educator for 40 years and superintendent of schools in nearby Niles, resigned Tuesday effective at the end of the present school year.

The idea of using satellites for communication was suggested by Arthur C. Clarke, a British science writer, as early as 1945.

son, Sunday, when they observed their Golden Wedding Anniversary.

The Cherub Choir, under the direction of Mrs. Don Schleich, will sing the special anthem Sunday during the Morning Worship Service of the Methodist Church.

THEY'RE TAKING A BATH—Finnish bath enthusiasts scamper from the sauna (Finnish for steam bath) to roll in the snow in St. Paul. They spend about half an hour in 180-degree steam before the cold roll. This is a very refreshing and relaxing experience, they say.

Business Briefs

The General Telephone & Electronics Corp., which serves this area, will hold a dinner 7 p. m. Saturday at the Harding Hotel, Marion, to commemorate the system's five millionth telephone.

Headquarters for the General Telephone Co. of Ohio is in Marion.

Clerics Oppose A-Tests
